ALEXANDER DUMAS.

The Famous French Novelist and Dra-matist's Death in Paris.

Paris, Nov. 29.—Alexander Dumas is dead. He died peacefully at 7:45 o'clock this evening, surrounded by his family. While his physicians and friends had become convinced that his case was hopeless and death only a question of time, it was not expected the and would come a soon A hulthe end would come so soon. A bul-letin issued at 6 o'clock stated that the slight improvement in the condi-tion of the patient, which was manifested yesterday, was found to be maintained today. Soon after this Du-mas fell asleep and awoke at 6:30. He feebly uttered a few words to those about his bedside, and then sank back and died.

President Faure and ex-Empress Eugenie had made frequent inquiries re-garding the condition of the distin-guished patient since his serious illness was first made known.

Alexander Dumas was born in Paris, that such prayers be offered and the president appointed noon today as the time, and requested that the 8,000 members of the society should engage in prayer at that time. The president of the Epworth League, who was pres-ent, said he would make a similar ap-peal to the members of his organiza-tion. The prayers were to be deliv-ered in private and how many nergons ered in private, and how many persons his deficiency in dramatic construction. semplied with the request will proba-His works treat mostly of the equivocal aspects of French life.
