How to Treat a Wife.

First, get a wife; second, be patient. You may have great trials and perplexities in your business, but do not, therefore, carry to your home a cloudy or contracted brow. Your wife may have trials which though less in magnitude, may be hard for her to bear. A kind word, a tender look will wonders in chasing from her brow all clouds of gloom.—To this we would add, always keep a bottle of Chamberlain's Cough Remedy in the house. It is the best, and is sure to be needed sooner or later. Your wife will then know that you really care for her and wish to protect her health. For sale by Dr. Edwin Ross.
