WARREN VS. ST. HELENS.—A game of baseball was played last Sunday between the St. Helens and Warren teams at the grounds of the latter, which resulted in a victory for the visitors by a score of 36 to 8. The game was umpired by Dr. Cliff, of this city, who is gaining quite a reputation in that line. Much wrangling is said to have been done during the game.

MARRIAGE BELLS AND DEATH.—A sad ending to a happy marriage which took place in Baker City a few days ago, occurred on the arrival home of the newly married couple near Burnt river. On coming in sight of their future home to be, the team became frightened and ran away, dragging the bride to death and seriously injuring the groom.

BASEBALL DANCE.— The baseball boys of this city will give a ball tomorrow (Saturday) evening at the opera house. Tickets are now on sale at 50 cents each, ladies free. The proceeds will be used to purchase uniforms for the team, and to defray other current expenses. The public is invited to be present, and if there are those who do not dance, they might assist in a good cause by purchasing a ticket anyway.

THE SQUAW DOES THE WORK.—The Yamhill Reporter says in a recent issue that there has been a number of wagon loads of siwashes driven through the town the past two weeks, and in every case the squaw had to do the driving as the buck was too drunk to do more than sit still and grunt, or lay asleep in the bottom of the wagon. This is a good indication that the Indian is becoming a good citizen and about ready to vote.

MUST PAY THEIR OWN CLERKS.—In Benton county hereafter all of ficials must pay their own deputy hire. The county court at its session determined not to make any allowance for regular deputy hire, but to allow the clerk $2 per day for one deputy for each day the circuit and commissioner's court be in session, and to also allow said clerks $2 for each deputy in making up the tax and delinquent rolls, and to allow the sheriff $2.50 per day for two deputies while the jury is in attendance on the circuit court.

THEIR MOUNTAIN JOURNEY.—Last Wednesday morning, as had been announced, Senator Mitchell, Hon. Max Pracht, Dr. H. R. Cliff, T. J. Cleeton, Mr. and Mrs. J. R. Beegle, Mrs. Jas. Muckle and Mr. Charles Muckle took an early start for Vernonia, where Senator Mitchell was billed to speak on political questions to the people of that precinct. The four last named started early in the morning, but the others waited until the arrival of the Telephone, which brought the senator and Mr. Pracht. It was hoped by getting such an early start that Vernonia might be reached by 3 or 4 o'clock in the afternoon, thus giving time to rest before the senator should be required to talk.

A PLEASANT EVENING.—A very pleasant evening was spent at the home of Mr. and Mrs. James Muckle last Saturday, the party being given by Miss Tillie Muckle in honor of Miss May Willis, of Hillsboro, who was visiting in this city. The evening was spent in social chat, cards and music, and a little later, luncheon was served. Those present were: Mr. and Mrs. James Muckle, Mr. and Mrs. L. F. Clark of Portland, Mr. and Mrs J. H. Sheldon, Mr. and Mrs. D. Davis, Mr. and Mrs. J. R. Beegle, Mrs. Charles Hooghkirk, Mrs. Ellerson of Portland, the Misses May Willis, Tillie Muckle and Frankie Way, and Messrs. Fred Caples, Thomas Muckle and Dr. Edwin Ross. The hour of twelve arrived before anyone was aware that the Sabbath was approaching so near, and after a cordial "good-night" the party was at an end.

PLAYED A GOOD GAME.—The ball game announced to take place at Woodland, Wash., last Friday between the Woodland and St. Helens nines, took place promptly on time. Some little inconvenience was experienced by St. Helens people in reaching Woodland. It was necessary to leave here in small boats for Caples, where hacks were in waiting. The river was very rough, and during the sail against the wind most of the occupants of the boats got a good wetting. Dinner was ready by the time the visitors reached Woodland, to which all did ample justice, for the reason that the forenoon had been a long one. Immediately after dinner preparations for the game were made and it was but a short time until the game was called by Umpire Cliff. The day was very warm, and the spectators were not provided with either seats or shade, so during the game it kept them busy to keep from almost roasting. The positions played by the St. Helens nine were as follows: Davey, catcher; Nimus, pitcher; Sheldon, first; Watts, second; Joseph, third; Eugene Blakesley, shortstop; W. Blakesley, right field; Beegle, center field; Davis, left field. The game lasted one hour and forty minutes, resulting in a score of 8 to 6, in favor of St. Helens. The game was quiet throughout, there being very little disputing among the players. The catcher for the visiting team received a stomach blow from a foul tip, which for a few seconds caused considerable excitement among the crowd as well as a great deal of unpleasantness for Mr. Davey, but in a few seconds he again caught his breath and the game proceeded as if nothing had happened. At the end of the game it was learned that there were no conveyances to take the visitors back to the boat landing, a distance of about three miles. By a special effort, however, a team was secured to haul the ladies who accompanied the party, and the men were left to get along the best they could, which meant they must walk. It was 7 o'clock when the party arrived back in St. Helens, all of them sufficiently tired to enjoy a good night's rest. Besides the players those who went from here were: Mrs. J. G. Muckle, Mrs. J. R. Beegle, Mrs. D. Davis, Misses Tillie Muckle, May Willis, Messrs. Thos. Cooper, Joseph Eversol, Terry Gillem, Elmer Newell, Dan Richardson and Will and Marion Slavens.

Considerable preparation is being made all along the river, and especially in this vicinity, for a large catch of fall salmon. Should there be a large run of fall fish those persons engaged in the fishing business will probably make back what they lost during the strike this spring and summer.

In a recent letter to the manufacturers, Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y., says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating that if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequaled by any other. They are for sale here by Dr. Edwin Ross.

A cook who had burned up a piece of veal weighing four pounds, threw it away, and afterward explained to her mistress that the cat had eaten it up. "Very well," said the lady, "we will see to that directly." So saying, she took the cat, put it on the scales, and found that it weighed exactly four pounds. "There, Fredericka," she said, "are the four pounds of meat, but where is the cat?"

Citation to Heirs.

In the Circuit Court of the State of Oregon, for Columbia County.

The State of Oregon, plaintiff,
vs.
Lindley Meeker, and all heirs at law of Levi French, deceased, defendants.

INFORMATION HAVING BEEN FILED IN the above entitled Court and Cause on the 30th day of March, 1896, by W. N. Barrett, then district attorney of the 5th Judicial District of Oregon, wherein it is avered and shown that Levi French, then a resident of Columbia county, Oregon, died intestate in the county of Multnomah in said state, on the 19th day of March, 1895:

That said French, at the time of his death, owned in fee all that portion of the following described real estate lying east of the partition fence of the Susannah Lamberson tract, to-wit: Beginning at a point S 17 degrees 10 minutes E 5.60 chs from that corner of the Aaron Broyles donation land claim that is situated N 66 degrees 30 minutes E 7.45 chs from the quarter post on the west side of section No. 4, township No. 4 N, range No. 1 W of Willamette Meridian, and thence running N 52 degrees 10 minutes E 8.52 chs to a stake; thence S 52 degrees 10 minutes E 0.59 chs to a point 50 feet from the center of the N. P. railroad, as the same is now built; thence S 37 degrees W, and parallel with the center line of said railroad to a point in the center line of Milton creek; thence up the center of Milton creek to a point where a line extended S 52 degrees 10 minutes W from the beginning post would intersect the center of said creek; thence N 52 degrees 10 minutes E to the place of beginning; all in Columbia county, Oregon; and then had in his possession a large amount of money:

That all of said property is within this judicial district, and within Columbia county, Oregon;

That the estate of Levi French has been fully settled, and the same is free from debts:

That said Levi French left no kin or heirs at law, and by reason thereof and of his intestacy all of said property has escheated to the State of Oregon; and that the defendant Lindley Meeker is in possession of the same:

That on or about the 1st day of November, 1895, the governor of Oregon was informed of all the foregoing facts, and he then gave leave to, and directed said W. N. Barrett to prosecute this action, and authorized the employment of, and employed Messrs. Dillard & Cole to assist said district attorney herein, and asking judgment that said estate has escheated, and that the State of Oregon be seized and possessed of all of said property and directing the sheriff of Columbia county, Oregon, to sell said real estate and make return of his proceedings according to law.

It is hereby ordered that all persons interested in the estate of said Levi French, deceased, or in said property, appear in this cause within sixty days from the date hereof and show cause, if any they have, why title to all of said property should not vest in the State of Oregon, and be sold as required by law; and that this order be published for at least six consecutive weeks from this date in the "Oregon Mist," a weekly newspaper published regularly in Columbia county, Oregon.

Done and ordered in open Court, at this May term, 1896—August 26, 1896.
