ST. HELENS, OREGON, MAY 27.

State Republican Ticket.

For Governor T. T. GERR of Marion. For Supreme Judge F. A. MOORE of Columbia. For State Secretary F. I. DUNBAR of Clatskanie.

America for Americans. "Long May It Wave Over the Home of the Free and the Land of the Brave."

MISLEADING THE PUBLIC.

The statements contained in the News last week relative to the financial condition of the county are absolutely false and misleading...

Candidates without a party is the predicament the fusionists of Columbia county are in. True, there were two conventions held, but for what purpose?

There are other matters to be considered at this time equal in importance to war news, big crops, and high prices. It will not do to overlook the importance of a republican victory in this state in the June election.

As the time approaches for the June election it becomes more apparent every day that the county republican ticket will be elected by a handsome majority.

There is a republican wave sweeping over the state of Oregon this year that will sweep fusionism, repudiation and anarchy off the globe.

It is of paramount importance this year that Oregon should elect a sound money legislature. As goes Oregon, so goes the nation.

A year and a half ago a presidential election took place in the country. In this state there was a fusion for presidential electors.

Somebody has discovered that Admiral Dewey is a republican. It makes no difference whether he be a democrat or republican, he is a loyal citizen and a valiant soldier.

If the people are to give confidence to the promises made for reform, such men as Starr and his kind cannot be kept at the head of the party.

There are three kinds of gold-bugs in Umatilla county. The first and most important of all is the wheat grower; then comes the sheep-raiser, and the man with a small bunch of cattle seems to be pretty well informed on the money question himself.

There "Cyclones" Davis—a patriot from Texas—is to speak in Oregon. Whenever a cyclone comes it brings only devastation and ruin.

The ambition of the individual is not all that is at stake in Oregon politics this year by all means. A great principle is involved that means more to the nation than the average voters comprehend.

Our next secretary of state will be F. I. Dunbar, of Astoria. His home people regard him as a competent and upright man.

Now that war is on, if a stray shell from a Spanish warship should reach Wall street it would be an unmitigated well spent.

When a man will preach anarchy and treason in an attempt to sway public opinion in the hope of catching votes for a party who are his sympathizers, it seems to us that a fitting rebuke would be the "ornamentation of some handy tree" with his disloyal carcass.

While war is the great concern of us all at the present time, and may be for some time to come, we must remember our home duty and vote the republican ticket—the party that leads us in war as well as in peace.

There is no more important office in this county than that of county commissioner. Our whole financial condition rests upon the commissioners' court.

The DISPATCH has not been in harmony with the methods which are to bring about a union of the free silver forces, because it believed and now does think it had and dishonest politics.

MALCOLM A. MOODY. [REPUBLICAN NOMINEE FOR CONGRESS—SECOND DISTRICT.]

Now wouldn't the great state of Oregon cut a pretty figure in the galaxy of states, with young Mr. King as her war governor.

If your loyalty and patriotism is of the clean stuff, you will show it on election day by voting only for men who will sustain our brave boys now in the field and against those who have denounced and derided them.

Ma J. G. WATTS will be the next county clerk. His personal worth and popularity assures it. He is a Columbia county born and raised young man, and the best of friends he possesses will see that he is elected.

The individuals who usually spend all their lives telling editors how they ought to run their papers, will now give the editors a rest in order to tell the government how to fight the war.

While you are remembering the Maine, do not forget to vote for a man who will help, with his ballot, to sustain the government while it is remembering the Maine.

James T. A. McBRIDE will be elected over his opponent by a very large majority. His wide acquaintance in the district, his ability and fitness insure him a large vote.

The young men, and the older ones too, are out working for Will Meserve for sheriff. All the fees he collects will be turned over to County Treasurer Ross.

A vote for Malcolm A. Moody is a vote for honest legislation and a support of the present administration in the war to free Cuba.
