American People.

sident J. J. Hill Bays One Grea Need Is Lower Daties on Imports From the Orient.

St. Paul, Minn., April 22.—Presi-jent J. J. Hill, of the Great Northern railway, is greatly interested in the Japanese and Oriental trade, and has displayed to the intervention of inter-ests on the Atlantic. Mr. Hill is ests on the Atlantic. Mr. Hill is carnest and hard-working in his efforts to further his cherished echome of maintaining and operating a line of the Coriontal steamships, and his trip to London now is said to be for the purpose of completing negotiations for a line of British steamers for this trade. "It is a shame," he declares, "that British vessels should be loaded with American cargoes," but it appears to be the only way at present that commerce with the Orient may be main tained, until such time as congress shall find it wise to make it possible for American ships to engage in the

trade, he bases his statement on the result of his study of the subject.

sult of his stuly of the subject.

Mr. Hill merely views the situation as a hard-headed, shrewd business man, who sees a brilliant and wonderful era of progress and prosperity, and it appeals and discourages him to know that others who have the power to bring about these conditions should be so indifferent on a matter of such great importance to the people of this

In a recent choular inspired by Mr. Hill, he shows that, while he is a Democrat who favors low tariff, he is also an expansionist, for he says:
"Had it not been for the eye-opening power of Dewey's guns, the Asiatic of the countries trevenue stamps and the countries of the countries trevenue stamps." rade of the United States might have gone the way of her South American of Lancaster, Pa., who were arrested Germany, France and other European A special revenue agent from Philanations. What America emphatically ecods today is more markets. We ies, and as soon as possible will locate the supply of blue paper from which cosessary mills and factories, we have the stamps were printed.

The evidence against all the men under arrest, it is said, is overwhelm-iral products could be immensely innocessary mills and factories, we have

The gas deal involves an expediture of The New York court of appeals has decided that deposite in savings banks are not subject to taxation.

The gas deal involves an expediture of about \$7,200,000, all of which the synderical control of the subject to taxation.

Washington, April 22.—The determination to send regulars to take the places of volunteers in the Philippines is believed to have a dampening affect upon those who are encouraging the Filipinos by their utterances in this country. The Filipines are no fools, and if their leaders see that the United States means business, they will seek terms. If the order for calling out the 35,000 provisional army was issued, it would have a good effect, not only upon the Filipino leaders, but the Cubans who may be inclined to

make trouble.

The volunteers are coming home railway, is greatly interested in the Japanese and Oriental trade, and has in the past and is now trying to bring about closer relations between the United States and the Far East. He is greatly chagrined that congress should have neglected to foster this trade, and attributes the indifference displayed to the intervention of interplated keeping the state volunteers in service and avoiding the necessity of a provisional army. The advice of mili-tary men is to the effect that this plan is absurd, and the authority granted by congress will have to be

Washington, April 22.—Nine thousand of the 14,000 regular troops who are to take the places of volunteers in Manila have been selected by the war department, and will begin sailing from San Francisco early in June.

HE MADE THE PLATES.

Engraver Taylor Tells of the Coun

Philadelphia, April 23.—Arthur Taylor and Baldwin S. Bredell, engravraylor and Baldwin S. Bredell, engrav-ers, who were arrested in this city in connection with the counterfeiting con-spiracy unearthed by the secret service department, were arraigned before United States Commissioner Edmunds, waived a hearing, and were held in \$20,000 bail

John E. Wilkie, chief of the ervice, testified as to the facts of the aylor and Bredell showed an inclina ion to amist the secret service men in arresting the others implicated in the conspiracy. Taylor informed him that William M. Jacobs, the Lancaster william M. Jacobs, the Lancaster-cigar manufacturer, who was arrested yesterday, approached him nearly five years ago with a proposition, which he accepted, to engrave cigar-stamp plates. For this work Jacobs paid him several

thousand dollars. When the first set wors out, Taylor made another. Taylor and Bredell admitted cutting

cases, the secret service agent thinks, at least four indictments will be sus-tained by the court.

Yorktown Party May Have Seen Killed by Spaniards.

Manila, April 22.—It may be that Lieutenant Gilmore and the 14 men from the Yorktown lost at Baler were killed by the Spaniards. General Rios today said the Baler garrison did not know the war was over between Spain and the United States, although officer was sent in January to notify sem. They disbelieved the officer red an attack of insurgents. Ries does not believe the Spaniards killed the party, as the fort is too far from the river, and is beseiged by na-

Admiral Dewey says Gilmore and the men were sent from the Yorktown to sound the mouth of the river and in-stead went further up above a bend, and were out of sight of the cruiser. He reinses to discuss his plans for a rescue expedition, but one is being planned.

Torpedo Steered by Light Waves New York, April 31 .- A dispatch to the World from London says: Alex Orling gave a private demonstration in London today of his marvelons invention for stearing a torpedo from a distance. The principal of the invention consists in the transmission of motor force by waves of light similar to the

Roontgen rays.

In one room Mr. Orling fixed up a model of a torpedo with a rudder like a fish tail, controlling it by means of an apparatus in an adjoining chamber through two partition walls between the two objects. tgen rays.

Evidence Against Traitors in the United States.

ARE TRYING TO AID AGUINALDO

to Mutiny Have Born Intercept-

Washington, April 24.—The cabinet today discussed traitors and the laws of treason in relation to the Philippines. The president preferred a policy of tiberality and tolerance until recently, when there came into the possession of the administration evidence incriminating United States citizens furthering

Certain individuals, it is known to the government, have been trying not only to aid Aguinaldo, but weaken the from anti-expansionists, zenious to gain political advantage, have been intercepted, encouraging volunteer offi-cers and men to demand their return from the Philippines on the ground that peace has been declared. The messages even connected the volunteers to go to the length of refusing further to serve in the Philippines.

What the president will do is not yet decided. It will not be surprising if a

warning in the shape of a message will remind the mischief-makers that there is a serious law against treason which will be enforced if any further attempt is made to tamper with the men at the

An Ignoble Game.
London, April 24.—The Saturday
Review, commenting on General Lawton's retirement from the Santa Cruz
district of Laguna de Bay, saye:

"Unpatriotic politicians in the Unit-ed States are doing their utmost to create a panic, in the hope that the Philippines may be abandoned and the Philippines may be abandoned and the party in power discredited. It is an ignoble game, and we sincerely trust it will be unsuccessful. If the Americans settire from their self-appointed task, the great republic must take the brand of 'coward' as well as the brand

Manila, April 24 .- At 6 o'clock this morning, three South Dakota comthousand dollars. When the first set were out, Taylor made another.

Taylor and Bredell admitted cutting the Minnesots regiment from Guiginto. The plate from which the famous \$100 or of the Street of the Minnesots regiment from Guiginto. The plate was soized at Kendig's cigar factory in Lancaster yesterday. Taylor told Wilkie that not over \$10,000 of the \$100 certificates had been issued to himself and Bredell. They could not say how many revenue stamps were printed.

Evidence Is Overwhelming.

Washington, April 22.—The officers of the internal revenue office are unable to even approximate the amount of the counterfeit revenue stamps made use of by the cigar manufacturers and large panels. The rebels are unusually setting the plate from Bocave, encountered in the People's bank of this city.

The Decay, encountered a rebel in the People's bank of this city.

The court officers were unable to keep back the struggling crowd that pressed forward to congratulate Quay, when the verdict of the jury was announced. As soon as Quay could get ammunition, were compelled to return to their camps. The heat is intense. At noon the thermometer registered 95 degrees and the mercury was still rising. There were several prospective forms the sixth floor of the street from the street from the sixth floor of the street from the sixth floor of the supplementation of the counterfeit revenue stamps at large of the first of the first of the street from the sixth floor of the street from the sixth floor of the street from the sixth floor of the street from the street from the sixth floor of the street from the street from the sixth floor of the street from the stre

emy along the river banks.

The rebels are unusually setive from Malclos as far as Calumpit.

They have been discovered within two miles of the railroad. Fires are arning east of the tell oad, and it would appear that the rebels are evacu-ating the footbill towns in anticipation of an attack upon the part of the American troops.

THE MODUS HELD UP.

Ottawa Dofests the Alaska Boundary

Washington, April 24.—An unex-pected delay has occurred in the nego-tiations towards an Alaska boundary modus vivendi, which makes the fomodus vivendi, which makes the fu-ture of the modus quite problematical. Extended conferences were held on the subject today, the result being far from encouraging. The principal diffi-culty arises from dealing with Ottawa as well as London, this dual negotia-tion causing great delay and complica-

At the outset the United States pro posed a modus with a temporary line along certain peaks. The British ambasandor forwarded this to London and Ottawa. The Canadian officials have now proposed changing the line, and after considerable delay the authorities in London approves the changes pro-

It is not stated what the respective lines are, but they are sufficiently apart to make it quite unlikely that any immediate agreement can be reached, even of a temporary nature, as to the boundary.

Havana, April 22.-Three co rellow lever developed today. Col-nel Davis isolated the houses. Mail advices of La Luchs, from

FOUL CRIME IN INDIANA.

Pans, Ill., April 24.—The mutilated body of Miss Jane Brunot, a wealthy woman of Dans, Ind., was found buried in an abandoned well on the farm of her sister-in-law near here today. Mrs. Anna Brunot, her son, Henry Brunot, and Frederick Sibley are under arrest in this city, charged with the murder. The chief of police was that the persons under arrest desays that the persons under arrest de-coped Mice Brunet to the farm, and shot her through the head, and buried her body in an abandoned well.

Miss Brunet came to this city on a

Miss Brunot came to this city on a visit about April 1. It is said she brought with her a valise containing a draft for \$500 and other valuables. Neither Miss Brunot nor the values was over seen after April 1. A few days later Henry Brunot and Sibley dissppeared. The police learned that the two went to Indianapolis, where they, it is said, cashed a draft for \$500, and spent the proceeds.

On the strength of this clew, and a letter from Indiana friends inquiring for Miss Brunot, the three inhabitants of the Brunot farm were arrested this

of the Brunot farm were arrested this merning. At 8 o'clock the police found Misr Brunot's decomposed body in an old well. Her clothing was found in the garret of the farmhouse.

IN THE INTEREST OF SCIENCE.

An Exploring Expedition to Be Led to the Brazilian Coast.

Stanford University, Cal., April 24.

—Professor Alexander Agassis, of Harvard, has made arrangements for Dr. Braunar, of the geology department here, to lead an expedition into South America in the interest of science.

The work will be upon the coral reefs of the Brazilian coast, extending from Ceave nearly to Rio Janeiro. The stone reefs will be mapped, and their relations to the geological history of the South American continent will be studied. Collections will be made for the museum of comparative zoology of Harvard university.

Professor Agassis will afterwards publish the results of the work in the builtin of the museum of comparative zoology at Cambridge. The party will leave New York about June I, and will return in the middle of September.

Philadelphia, Pa., April 24.-Matthew Stanley Quay was today declared by a jury to be not guilty of the charge of conspiracy to use for his own unlaw-ful profit funds of the state deposited

Quay was ed with his friends to the office of his counsel, where he made his escape from the crowd.

Harrisburg, Pa., April 24. - Shortly after noon Governor Stone appointed Matthew Stanley Quay as senator to serve until the next session of the legis-

president of the United States, and it is stated in the letter to be made under the authority of clause 2 of section 3 of

united 1, of the constitution of the United States.

(The clause above quoted says: "e * Seats of the senators of the first claus shall be vacated at the expectation of the second ways of the second piration of the second year, of the sec-ond class at the expiration of the fourth year, and of the third class at the expiration of the sixth year, so that one-third may be chosen every second year, and if vacancies happen by resigna-tion, or otherwise, during the recess of the legislature of any state, the execu-tive thereof may make temporary ap-pointment until the next meeting of the legislature, which shall then fill such vacancies.")

ON A TECHNICALITY.

The Charges of General Miles Will Not

Washington, April 24 .- The fo of the beet inquiry report indicates that the charges of General Miles will not be sustained, although there in such a mass of testimony to show that bad beef was distributed to the army. The reason for this will be technical.

Miles showed nothing in his charge
against canned beef, but used the term sality it may be shown that the charges

were not sustained.

were not sustained.

The people will not be convinced that the board was not packed in the interest of the war department. It is also possible that there will be a demand for an investigation by congression those who believe that neither the war committee nor the beef board was unbiased. The people are not ready to accept the resson of the two boards, who eeem to sustain Algerian in the department. in the department.

Hebart's Condition.

Washington, April 24.—Vice-President Hobart is in such poor health that it is doubtful if he will be able to preside in the senate next winter. Ho may recover, and his physicians are confident, but he will not run for vice-

creatdent again.

THE FALL OF QUINGUA

Filipinos Were Driven From a Horseshoe Trench.

NEBRASKA MEN FIGHT HARD

The American Treops Continued Their Advance and Occupied the

Manila, April 25.—Four men of the Nebraska regiment, including Colonel Stotsenburg, Lieutenant Sisson, and three men of the Fourth cavalry, were

three men of the Fourth cavalry, were killed, and 44 wounded in an engagement at Quingua. The Filipinos retreated with small loss.

The engagement developed in to a disastrous, though successful, fight. The insurgents had a horseelice trench, about a mile long, encircling a rice field on the edge of a wood.

Major Bell, with 40 cavalrymen, encountered a strong outpost. One of his

countered a strong outpost. One of his men was killed and five were wounded

men was killed and five were wounded by a volley. The Americans retired, carrying their wounded under fire and with great difficulty, being closely pursued, fog enabling the enemy to creep up to them. Two men who were carrying a comrade were shot in the arms, but they continued with their burden.

Major Bell sent for reinforcements to rescue the body of the killed cavalryman, and a battalion of the Nebraska regiment, under Major Mufford, arrived and advanced until checked by volleys from the enemy's trenches. The Americans lay about 800 yards from the trenches behind rice furrowe under fire, for two hours. Several men were sunstruck, one dying from men were sunstruck, one dying the effects of the heat as they lay

the effects of the heat as they lay there waiting for the artillery to come up.

Finally the second battalion arrived, and then Colonel Stotsenburg, who had spent the night with his father at Manila, came upon the field. The men immediately recognized him and raised a cheer. Colonel Stotsenburg, deciding to charge as the cheapest way out of the difficulty, led the attack at the head of his regiment. He fell with a bullet in the breast, dying instantly, about 200 yards from the breastwork.

stantly, about 200 yards from the breastwork.

Licotenant Sisson felf with a bellet in his heart, the bullet striking blin near the picture of a girl, suspended by a ribbon from h is neck.

In the meantime, the artillery had arrived and shelled the trenches. The Filipinos stood until the Nebraska troops were right on the trenches, and then they belted to the second line of the trenches, a mile back.

The Nebraska regiment lost two privates and had many wounded, including two licutenants. The lows regiment had esveral wounded. The Utah regiment had one officer and three men wounded. Thirteen dead Filipinos were found in the trenches. Their loss was comparatively small on account of their safe shelter.

The Americans carried the second

The Americans carried the se trench with small loss, and are holding the town tonight.

Colonel Stotsenburg had won a reputation as one of the bravest fighters is the army. He always led his regimen and had achieved remarkable popular ity with his men since the war began although, during his first coloneloy, the volunteers who were not used to the rigid discipline of the regular troops thought him a hard officer. The loss of the Nebraska regiment in the campaign is the greatest sustained by any regiment, and today's disaster has greatly saddened officers and men, who promise to take flerce vengsance in the next fight.

BURNED AT A STAKE. Goorgia Negro Cut With Knives and

Newnan, Ga., April 25. - In the pres Newnan, Ga., April 25.—In the pres-ence of nearly 2,000 people, who sent aloft yells of defiance and shouts of joy, Sam Hose, a negro who committed two of the basest acts known in the history of crime, was burned at the stake in a public road one and a half miles from here, this afternoon.

ere, this afternoon.

Before the torch was applied to the pyre, the negro was deprived of his ears, fingers and other portions of his anatomy. The negro plead pitifully for his life while the mutilistion was going on, but stood the ordeal of fire with surprising fortitude. Before the body was cool it was cut to pieces, the body was cool it was cut to pieces, the bones were crushed into small bits, and even the tree upon which the wretch met his fate was torn up and disposed of as souvenirs. The negro was cut in several pieces, as was also his liver. Those mable to obtain the ghastly relics direct paid the more fortunate possessors extravagant sums or them. Small pieces of bone went at 25 cents, and a bit of the liver, crisply cooked, sold or 10 cents.

cooked, sold or 10 cents.

Sam Hose killed Alfred Cranford, a white farmer, near Palmetto, and outraged his wife, 10 days ago.

Chicago, April 25.—The Illinois Staats Zeitung, in a furious editorial on Captain Cogbian's uttorances at New York, demands his removal, concluding: "The American government should get rid of officers of the kind of Coghian." The Counterfelters' Plat. Philadelphia, April 22.—Secret ar-ice men say the counterfelters arrest-here and in Laneaster, Pa., intened
