OFFICIAL COUNTY PAPER.

NEWSPAPERS may devote column upon column of their space in pointing out needed reforms and improvements, but much of it is lost effort. For a number of years The Mist has devoted much space to the subject of roads in this county, especially has this been the case during the last year, when we have said much concerning the road from this point to Nehalem valley.

Shady nooks are at a premium. Reuben Seseman came home from Westport last Saturday evening. Mrs. Woods and children, of Peblee creek, came down to this place Sunday.

Peter and Adolph Bergerson and families were down from Upper Nehalem last Sunday. Jake and Ed Brous and their families, of Rainier, are visiting their brother, John, this week.

Our merchant, F. A. Zillig, is contemplating the erection of a new house and barn in the near future. Mr. Dow sr., had the misfortune to be thrown from a mower seat last week and injured, though not seriously.

occasional newspaper. When Commissioner Binger Hermann appointed men to protect our timber reserves from destruction by forest fires he was accused of wanting to remunerate his friends with an office, and that was all his appointments were for.

That the foremost need of Columbia county today is better roads cannot be denied, and that the necessity of the people defraying the expense of improving and having better roads is a decided condition and by no means a theory. And it may properly be suggested first as last that taxation for the purpose of making and maintaining roads is the only means by which a satisfactory system can ever be had.

VERNONIA VARIETIES. Shady nooks are at a premium. Reuben Seseman came home from Westport last Saturday evening. Mrs. Woods and children, of Peblee creek, came down to this place Sunday.

Our merchant, F. A. Zillig, is contemplating the erection of a new house and barn in the near future. Mr. Dow sr., had the misfortune to be thrown from a mower seat last week and injured, though not seriously.

Through the negligence of some person, the hay field in Otto Malmsten's fence and hay field last Saturday. By hard work the house was saved. A large amount of his hay was destroyed and a big pile of lumber belonging to A. Soule was also burned.

IS IT RIGHT For an Editor to Recommend Patent Medicines? From Sylvan Valley News, Brevard, N. C. It may be a question whether the editor has the right to publicly recommend any of the various proprietary medicines which flow the market, yet as a preventative of suffering we feel it duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is waited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in very many cases the presence of a physician would not be required. At least this has been our experience during the past twenty years. For sale by Dr. Edwin Ross.
