

OREGON MIST.

JUNE 8, 1900.

It will be Plank roads. McBride still has a few friends left.

We said someone would certainly be slaughtered. Yes, Oregon is for Bryan. So is Pennsylvania.

Commissioner Frakes was down from Seapoope last Friday. That Porto Rico tariff didn't have so bad an effect on the Oregon election after all.

A few more Ferrys and Solomon Levi Isaacs and no telling what will be happened.

Poor old anti-imperialism and anti-expansion received somewhat of a slap in the face, too.

Rev. C. E. Philbrook will preach next Sunday at Bachelor Flat at 11 a. m., and St. Helens at 8 p. m.

Mr. W. D. Connell and Jack Dart sailed from Portland Wednesday night for Cape Nome, Alaska.

Messrs. J. E. Dow and Alex Sward, of Vernonia, were in this city and Portland the latter part of last week.

The County Treasurer issues a call this week for all outstanding warrants endorsed prior to September 1, 1899.

The Columbia County Sunday School Association meets at Houlton, June 20 and 21. First lesson Wednesday evening at 8 o'clock.

The social announced to take place at Houlton this (Friday) evening has been postponed indefinitely on account of sickness in the neighborhood.

Masonic grand lodge will be held in Portland next week. Delegates from the lodge here will be: Judge McBride, D. J. Switzer and T. C. Watts.

There are a good many members in this County of the Oregon Pioneer Association. Their annual meeting will be held in Portland on the 15th of this month.

All fear of high water for this year is now past and lowland farmers can, with assurance of no further disturbance, pursue their ordinary, everyday avocations.

A splendid dinner prepared and served at the home of Mr. Wm. Letz, of South Seapoope creek, was enjoyed last Sunday by nearly everybody in the neighborhood.

The grand lodge of Eastern Star was in session in Portland this week. Representatives from the local Chapter were: Mrs. T. C. Watts, Mrs. James Muckle and Mrs. J. W. Day.

Mr. J. P. West, of Seapoope, was in town last Friday. Mr. West states that Seapoope proposes to celebrate the Fourth in a manner never before equaled. He is chairman of the executive committee.

School in this city closed last Friday. Mr. Cleveland took his leave Wednesday morning for his father's home in Astoria, where he expects to spend the summer. He will return here, however, about the 1st of September and take up the work of another year's teaching.

Mr. W. O. Brice, of Ridgefield, Wash., has made all arrangements to give a big Fourth of July dance at St. Helens. The posters will be out in a few days. Everybody should bear in mind that dances here are usually attended by a very large number of people and a good time is always had.

Election day passed off very quietly in St. Helens. There was a very good-sized turnout, 228 votes being cast in this precinct. The registration was larger than that, but for some reason, about thirty voters failed to avail themselves of the opportunity offered them to cast their ballot.

Last Friday, while at play at Seapoope, Hazel, the little daughter of Mr. and Mrs. J. G. Watts, fell from a donkey and received a dislocation of the elbow of the right arm. The injury was immediately attended by a physician, and the young miss is at present recovering rapidly from the bad effects of the injury.

Mr. and Mrs. T. J. Cleaton expect to leave in a few days for an extended Eastern trip of about two months' duration. They will visit Denver, Salt Lake, Kansas City, Chicago, St. Louis, and will be in Philadelphia during the Republican National Convention. From there they expect to go to Washington, thence to New York and Boston. They will then return to Lancaster, Mo., and visit Mr. Cleaton's parents for a month before returning to this State.

YANKTON ITEMS. Will Charlton has been building several hundred rods of fence inclosing his own ranch and a large part of Muckle Bros. land.

Charles Brown spent Sunday with his brother on his return from Portland, where he had been sight-seeing for a few days with his little son, Ralph.

Mrs. Wikstrom's parents, Mr. and Mrs. Matchett, have decided to make Yankton their home, having disposed of their property in Grants Pass in exchange for two pieces of land at Deer Island.

Thirty-six individuals of both sexes and all ages gathered at Mr. and Mrs. C. Tarbell's last Thursday to enjoy a social afternoon and picnic supper. A Ladies' Aid society of sixteen members was formed and a good-sized nest egg toward the organ fund deposited.

A Life and Death Fight. Mr. W. A. Hines, of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposed to an immense induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery which wholly cured me."

What is Ailtho? A grand old remedy for Coughs, Colds and Consumption; used through the world for half a century; has cured innumerable cases of incipient consumption and relieved many in advanced stages. If you are not satisfied with the results we will refund your money. Price 25 cts. and 50 cts. Sold by Dr. Edwin Ross.

VOTE IN COLUMBIA COUNTY

Largely Increased Republican Majorities.

Entire Republican Ticket, Except Sheriff, is Elected—Doan's Majority Over Six Hundred.

Columbia County is safely Republican by 350 majority. Moody, for Congress, carried the County by 433, which clearly proves that people everywhere are well satisfied with present financial and industrial conditions. While the number of registered voters in the County was nearly 1800, the vote cast shows no material gain over two years ago. One fact is clearly brought to the surface. People are done with Bryanism and Populism. The people are also satisfied with local conditions as well as the condition of things. Majorities varied, of course, from over 600 for one Republican down to slightly over 100 for School Superintendent and on to the defeat of the Republican candidate for Sheriff by nearly 200. Below we give the vote for each candidate, and the majority of the successful one:

Table with columns for Candidate, Party, and Majority. Includes Congress, Sheriff, County Judge, School Superintendent, and various Precincts.

ARRANGEMENTS ARE BEING MADE FOR THE annual camp meeting to begin about the middle of July. Further particulars will be given later on.

Mrs. S. B. Ross, in town, and Mrs. Thomas Anderson of Upper Nehalem, have both been quite sick the past week, but are better at this writing.

I. P. Spencer returned from his Portland trip Saturday night. Bertha came home with him, but Omar remained to sing with the Unity Quartette at one of John G. Wooley's meetings on Sunday, and rode Shanks' mare over the mountains Wednesday of this week.

Eddie North, of the Upper Nehalem, is the only person who has met in this vicinity who saw the eclipse on the 28th ult. It was too early in the day for most of us.

T. B. Denslow lost a very valuable horse Thursday night of last week. It was well and hearty when he fed in the evening and dead in the stall next morning.

Gust Peterson and wife, of Mist, came up on Wednesday of last week to consult Dr. Hatfield about the latter's health, which has not been good for the past month or two.

Dow Keasey, who is working with a seining company on the Lower Columbia, came home Monday, incidentally to vote, but really to visit with the wife at home for a few days.

A. M. Randolph and G. W. Woods, who work on the farm near Mist, came home Monday, and are home this week, planting their spuds and doing other odds and ends on their ranches.

That comic cartoon, showing the effect of the dinner furnished at Frank Tracy's on election day was simply immense. It was executed by our fellow-citizen, L. W. Van Dyke. Van certainly has some artistic ability.

Miss Lena Tucker began teaching at the Wm. Pringle schoolhouse, down the river from Pittsburg, on Monday last. She will board at home. This will give her a pretty long ride mornings and evenings, but it will be a healthful one.

The Sunday school on last Sunday elected Omar Spencer chorister and drill master for the musical part of the Children's Day exercises to be given probably on the fourth Sunday in this month, instead of the third, as announced last week.

Uncle John Campbell returned from his business trip to Portland Wednesday of last week. He says that the land sale is a go this time, but that it cannot be finally closed until about a month yet, it requiring that long to make out the papers and get them properly signed.

On last Friday the house of H. K. Shirk, of Upper Pebble creek, caught fire through the pipe of a stove, and the house was consumed.

Mrs. L. B. Stuart died on the 29th ult., after a long and painful sickness. She had been married only seven months, coming here for that purpose, with her mother at the time, and being of a quiet, retiring nature, few people had met her. Funeral services were conducted at the house by Rev. W. H. Palmer on Thursday, and the remains were interred at the cemetery near town. Our sympathy and that of the entire community is extended to the bereaved husband and mother. We understand that this is the last near relative the latter had, having buried a husband and one or two children before this daughter, within the last year or two.

Glorious News. Comes from Dr. D. B. Cargile, of Washita, L. T. He writes: "Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give her no help; but now her health is excellent." Electric Bitters is the best blood purifier known. It's the supreme remedy for scrofula, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by St. Helens Pharmacy, Guaranteed.

A Monster Devil Fish. Destroying its victim, it is a type of constipation. The power of this malady is felt on organs, nerves, muscles and brain. But Dr. King's New Life Pills are a safe and certain cure. Best in the world for stomach, liver, kidneys and bowels. Only 25 cents. Sold by St. Helens Pharmacy.

Miss Musette Grewell is now spending a few weeks at the Honeyman farm.

Miss Theresa O'Rourke, of Portland, has been spending a few weeks with Mrs. John Dolan.

Miss Gerlie Lynch has been visiting with her aunt, Mrs. Grant Lynch, of Seapoope, for the past two weeks.

Frank Sheffield has been nursing a very sore hand for the past week, however, he has kept on with his work.

Mr. and Mrs. Jensen's daughter, whose name we did not learn, came down from Spokane last week on a visit.

Cliff and Ernest Ellis came down from Portland last Saturday evening on a visit with relatives who reside near Warren.

Our blacksmith, J. F. Downing, is kept very busy in his shop these days. We can hear the ring of his hammer from daylight until dark.

Mrs. Maggie Cooper, who has been very seriously ill at the home of her sister, is improving rapidly and was able to return to Portland last Monday morning.

Election day passed by very quietly here. Quite a number of votes were cast. No fighting or drunkenness was reported. Warren is to be congratulated for not having a saloon.

A neat little tool house has just been erected in a corner of the L. O. O. F. cemetery and a neat picket fence is to be built around it. Henry Larson and Homer Bennett are doing the work.

Mrs. Oliver J. Gould and two children, of Portland, are spending a week or two with Mrs. Thos. Leister, of this place. Mr. Gould joined them on Sunday and spent a day or two with them.

Decoration Day was observed by quite a number from this place. Not a grave in the I. O. O. F. cemetery was left neglected. Some very beautiful flowers were laid on each grave, showing that some loved one had not been forgotten.

The Warren baseball team went to Seapoope last Sunday and played a game of baseball with the nine of that place. Our boys easily defeated them and came away with a victory.

A few of our friends and neighbors visited at the home of Mr. and Mrs. Chris Jensen, at Yankton, last Sunday. A merry time was spent during the day, and in the evening all repaired to the home of Mr. and Mrs. Frank Nagle, where a most enjoyable evening was spent in social converse.

A very pleasant evening was spent at the home of Mr. and Mrs. John Grewell last Saturday evening. Dancing was indulged in until 12 o'clock, when the young folks bade their host and hostess good night and wended their way homeward, tired and sleepy, but all declaring they had enjoyed themselves very much.

Married.—At the Oriental hotel in St. Helens, Wednesday, May 30, 1900, Floyd Puszy and Olive Grewell, of this place, Justice Cox officiating. Only near relatives were present. After the ceremony all repaired to the home of the bride's parents, where a sumptuous dinner was served to the invited guests. A rousing serenade was tendered them in the evening by a crowd of their young friends, and of course, they were all treated.

Martin White, for Assessor, is the only Republican on a County ticket who has carried Auburn precinct in the last eight years.
