JUNE 22, 1900.

OFFICIAL COUNTY PAPER.

THE CONVENTION.

The Republican National Convention has been in session in Philadelphia, Pa., since Tuesday at 12:35 noon.

This action of the twelve members of the lower house of Congress, from Missouri, relative to the Nicaragua canal, demonstrates how intensely interested the Democratic party is in the success of the mammoth National project.

KANSAS has made another record. Not content with plastering the walls of her State buildings with cancelled mortgages, not content with doubling her bank deposits since 1896, she now has but one inmate in the State poor farm.

THE COWLEY ADVOCATE very pertinently remarks upon the school teacher problem as follows: "Here are some figures over which our teacher friends should ponder before signing contracts for the next year."

WILLAMETTE valley papers are at present giving a great deal about the dairying business in that section of the State, the inference being readily drawn that it is the desire to have it understood that no other part of the State is adapted to dairying.

STRUCK IT RICH.

Former Columbia County Boy One of the Luckies.

Two more hard working prospectors have finally won one of the big prizes in the great mining lottery, says the Sumpter Miner.

The strike was made on the Dewey. An extension of the Golconda lead, will only a fractional lead between. These gentlemen own four claims on the lead, the Dewey, Summit, Malilla and Comet.
