Rest 16,346; when matured will have a great bearing no 19,999. upon trade conditions and matters of local development. The air is thor- no, 28,402. oughly permeated with all kinds of enecuraging future transactions, some hanging fire for want of dry weather, and others through lack of time to propthan two and very likely three railroad goods to our family on the occasion of the recent fire which destroyed our propositions are agitating the public mind at the present, any one of which would mean very much to Columbia County, and sincerely speaking, the prospects seem to have never been better for the successful termination of one or more of the propositions. The proposed railroad from Goble to Nehalem Bay, from all appearances, has something more substantial than moonshine behind it. To say the very least, the route selected is a practicable one. Furthermore, the resources of the country through which the line would traverse are unlimited in quantity and are would mean very much to Columbia attention of capital has been attracted its price.—G. If. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale at the St. Helens Pharmacy.

Destroying its victim, is a type of constipation. The power of this malady is felt on organs, nerves, muscles and brain. But Dr. King's New Life Pills for just such material. The resources of our Coast Counties have forced themselves into prominence by reason of superior quality and unlimited quantity, and while somewhat difficult of access, and while somewhat difficult of access, that section is certain to come to the front. William Reid also proposes to build a railroad into Tillamook City, and as Mr. Hammond also has designs on the Tillamook country as a profitable feeder for his Astoria road. profitable feeder for his Astoria road, bless 'em-know how to get off a Mr. Reid and Mr. Hammend may have street car in the orthodox fashion. A Mr. Reid and Mr. Hammond may have a clash of interests, which event may force the construction of a road sooner than sould other than so so that so the sould other than so that so the sould other than sould oth than would otherwise take place. But the Goble-Nehalem proposition, while being of a more or less antagonistic character to gither of the other plant. character to either of the other plans, ations, would traverse a section rich in natural resources and meet with less opposition
