BOERS ARE CHECKED

But Kitchener Cannot Drive Them From Cape Colony.

EFFECT OF KITCHENER'S PROCLAMATION

Westward Movement of the Dutch From the Vryburg District—Dewet in South-eastern Orange River Colony.

London, Dec. 29.—The latest dispatches from South Africa show that Lord Kitchener has succeeded in holding the Boers in check. He has not yet been successful in expelling them from Cape Colony, while different commandoes continue to display astonishing activity over an immensely wide field.

It is questionable whether his proclamation will have much effect until General Dewet is captured. The Boers are likely to regard it as a sign of weakness and to have a wholesome dread of vengeance if they surrender. The proclamation is approved by the party at home that favors conciliatory terms to the Boers as a step in the right direction.

Queen Victoria, it is said, has approved the proposal to institute a new order of knighthood to reward officers who have served in South Africa. The order will probably be called the Star of Africa.

A dispatch from Vryburg, dated December 29, says that Boers in considerable numbers were making a movement westward. They had 150 wagons. The dispatch suggests that they were trekking to Damara Land, although the Boers themselves denied any such intention.

Boers May Surrender.

Bloemfontein, Orange River Colony, Dec. 29.—There are renewed but unconfirmed rumors that General Dewet, President Steyn and General Haebroek have had a conference and decided to offer to surrender, providing the colonial rebels are not punished, and the leaders, including themselves, are not deported.

Boer Attack Repulsed.

Cape Town, Dec. 29.—A small party of Boers attacked Burgersdorp, on December 26. They were repulsed after heavy fighting. The Boers are active, and skirmishes in several places have been reported.

Martial Law Proclaimed.

Cape Town, Dec. 29.—Martial Law has been proclaimed in the districts of Beaufort West and Carnarvon.

CLAIMS AGAINST HAWAII.

Chinese and Japanese Want Pay for Property Destroyed During Bubonic Plague.

Washington, Dec. 29.—It is expected that Governor Cole, of Hawaii, will make a recommendation to the Hawaiian legislature, which meets in February, for the settlement of the claims of Chinese and Japanese growing out of the destruction of their property at Honolulu at the time of the bubonic plague outbreak. It appears that the Chinese claims are less than was at first estimated, and that the total of the Chinese and Japanese claimants are, approximately, \$1,800,000. The Chinese government has not been in a condition, of late, to exert pressure in behalf of the claims of its citizens, but the Japanese authorities have been actively looking out for the losses sustained by their countrymen, and now seem to be in a fair way of securing partial reimbursement. Governor Dole suggested a short time ago that the matter be referred to the Hawaiian legislature, and this was approved by the officials here as the best means of adjusting the matter. There appears to be little doubt that the legislature will authorize a settlement.

Frozen to Death Near Dawson.

Oregon City, Dec. 29.—A Tacoma dispatch states that Harry Moffatt, of this place, was frozen to death something over two weeks ago near Dawson City. He had gone alone to Ereka creek for a hunt, and was caught in a snow storm and wandered aimlessly about for two days. He was found by a rescue party with his hands and feet badly frozen, but died before they could reach Dawson.

Excepting the dispatch, no news has been received here by J. W. Moffatt, brother of the reported dead man. Harry Moffatt left here on the first trip of the Elder for the Klondike country, where he had since been engaged in mining a short distance from Dawson. F. F. White, who left Dawson a few weeks ago, states that Moffatt occupied a cabin adjoining his own.

Turks Assaulted a British Charge.

Constantinople, Dec. 29.—Some Turkish soldiers have grossly assaulted and maltreated the British charge d'affaires, Mr. De Bolson, and other members of the British embassy in the vicinity of the powder magazine at Makrikis. Sharp demands for redress have been made to the Port.

Sania Fe Buys a Line.

Chicago, Dec. 29.—Announcement was made today of the acquisition by the Atchison, Topeka & Santa Fe Railroad Company of the Peconic Valley & Northeastern, which runs from Ames, Tex., where it connects with the Santa Fe system, to Peconic City, a distance of 477 miles. The price paid for the property could not be ascertained, but it is understood that the payment will be made in cash and general mortgage bonds.

KITCHENER'S TASK.

Unable Yet to Drive Boers From Cape Colony—Disturbed Area Growing.

London, Dec. 28.—The paucity and obscurity of the dispatches from South Africa give rise to renewed anxiety. Apparently the disturbed area of Cape Colony extends further south than it did last December, and Lord Kitchener does not appear to have much success as yet in driving back the invaders.

The war office had received no news last evening of the reported capture of yoomanry near Bristown.

A Burgersdorp dispatch had a mysterious reference to an "unfortunate mistaking of the enemy for Brabant's Horse, which resulted in the sounding of 'cease firing' and enabled the Boers to occupy the commanding positions, the British retiring from a difficult predicament."

General Clements' success against the Boers in the Magalies Berg region is also doubtful, the last dispatch reporting that "it was considered advisable not to force the Boers from their position."

The British press continues in the main optimistic, but the condition of affairs brings home the enormous difficulties that will face Lord Kitchener in patrolling and policing such immense tracts of country, even when the Boers shall be finally subdued. The Daily Mail, which makes a strong appeal to the government to "face the facts and send Lord Kitchener more troops," says: "There is a real risk in being lulled to sleep by carefully censored messages."

Lord Kitchener, according to a dispatch from Johannesburg, has issued a proclamation, dated Pretoria, December 20, announcing that burghers who voluntarily surrender will be allowed to live with their families in the yeomanry laagers until such time as guerrilla warfare has sufficiently abated to admit of their returning in safety to their homes. The proclamation also promises that all property and stock brought in at the time of surrender will be respected and paid for, if requisitioned by the military authorities.

THE SCRANTON STRIKE.

More Imported Men Induced to Change Their Minds and Join the Strikers.

Scranton, Pa., Dec. 28.—Fifty-three more men recruited in New York to take the places of the strikers on the Scranton Railroad Company arrived tonight, but before the train had come to a full stop the strikers and their sympathizers boarded the car, and by using arguments and exhortations induced all but 15 of them to agree to return to New York. They are being cared for at strikers' headquarters, and will be furnished transportation home. There was no violence and no angry words, although not infrequently the company's agents and the strikers' missionaries were working on the same men at the same time.

The company had only 12 men left to run the cars today. Five cars were run out, but few passengers were carried.

The company is fitting up an improvised hotel in the Linden street car barn for the accommodation of the imported men. The hotels refuse to receive them, and the merchants refuse to furnish supplies. Three men were coaxed off the cars this afternoon and sent away by the strikers. General Manager Silliman says the company will have cars running on all the lines tomorrow.

Wilcox's Big Mileage.

Washington, Dec. 28.—Robert H. Wilcox, delegate in the house of representatives from the Hawaiian Islands, has just been paid a claim of \$1,000 for mileage. It was the largest claim of the kind ever made, but it was paid promptly by the sergeant-at-arms of the house. Every congressman is entitled to mileage at the rate of 20 cents per mile, "by the most direct and practicable route from his home to Washington and return." The distance between Honolulu and Washington is figured at 5,000 miles. Mr. Wilcox will draw \$500 more for his return trip.

Cashed Worthless Checks.

Aberdeen, Wash., Dec. 28.—L. D. Savage, stenographer in the office of City Attorney J. C. Cross, yesterday availed himself of a business man by inducing them to cash worthless checks in sums ranging from \$15 to \$40. Savage made out the checks payable to himself. He had but little trouble in getting them cashed.

Pardons for Foote Ricans.

New York, Dec. 27.—A dispatch to the Herald, from San Juan, Porto Rico, says: Governor Allen has celebrated the holiday season by extending executive clemency to 24 prisoners in Porto Rican jails. He has pardoned 17 murderers and homicides and seven thieves.

Arrested for Stage Robbery.

Lakeview, Or., Dec. 28.—Paul Oglesby, driver of the Lakeview-Bullock stage, was arrested tonight by Postmaster Wilcox for the robbery of that stage December 21. Money that he took from the mail has been identified.

Andrew's Brother Gives Up Hope.

London, Dec. 28.—The brother of Andrew, the missing aeronaut, says a dispatch from Copenhagen to the Daily Mail, despairing of his return from the Arctic regions, has finally opened his will.

Another Chinese Envoy.

London, Dec. 28.—It is asserted in Shanghai, according to a dispatch to the Times, that Cheng, is going to Peking, having been appointed to assist in the negotiations.

STOLE MAIL POUCH

Michigan Robbers Secured Over \$100,000.

REMARKABLE CASE OF CARELESSNESS

Station Agent Left the Sacks Unguarded Over Night in the Public Waiting Room—Letters Strung Along the Track.

Detroit, Dec. 31.—A mail pouch containing \$100,000 in negotiable paper and an unknown amount of money was stolen from the Michigan Central passenger station at Wyandotte, Mich., some time last night. The last mail for Wyandotte arrives at 10:25 on the Michigan Central, and owing to the lateness of the hour it is left at the station until morning. When the two mail sacks were thrown from the train last night, Night Operator Richard threw the pouches under a seat in the corner of the waiting room. He then went to his home in Detroit. Today when Mail Carrier John McCleary came to the station for the mail sacks he missed one. About the same time George Besy, a driver of an oil wagon, reported at the station that a pouch, ripped open and empty, was behind an oil tank a short distance from the station. At about the same time two employes of the J. B. Ford Alkali works found a number of checks and opened envelopes strewn along the railroad track. Postmaster Johnson, of Wyandotte, was notified and went at once to the scene. The trail of the thief was marked along the railroad track by strewn letters, checks and drafts. Most of the mail was intended for the J. G. Ford Company, and a force of clerks was sent out to collect the letters strewn along the track. J. B. Ford, Jr., said he expected a draft today from New York for \$40,000. The draft did not come, and it is believed that the robber or robbers took it, with other valuable papers, from the pouch.

GALE SWEEPED COAST.

Havoc Wrought by Storm in English Channel—Many Wrecks Reported.

London, Dec. 31.—There has been a recurrence of storms and violent gales in the channel, and considerable damage has been wrought ashore. Telegraph lines are down in many places. Vessels are seeking shelter in the harbors, and a number of wrecks have been announced. The gale is so furious in the channel that the Continental services were suspended this evening.

Wales is said to have suffered the worst effect of the gale, both on land and sea, and everywhere the telegraph wires are much disorganized, and reports are therefore incomplete. Considerable damage to property inland is certain to be reported. Some 50 barges and sailing craft broke from their moorings in the Thames alone. At Oswestry a theater was destroyed.

The hurricane is increasing at Queenstown, where the observers say it is the fiercest storm in years. The Maria, laden with coal, sank at her anchorage. The mails are delayed.

In response to rockets from Eddy-stone Light, Plymouth sent a dockyard tug with a lifeboat to assist what was reported to be a large steamer in distress in the channel.

Incessant reports of innumerable shipping casualties show that the gale was one of the worst known in many years. Probably several days will elapse before the full damage becomes known.

In addition to some vessels not yet identified, several have been wrecked or placed in great danger, the fate of some of the cross-channel steamers being in doubt. For instance, the Great Western Railway Company's steamer, plying between Milford and Waterford, is 12 hours overdue, and no tidings of her have been received. It would be impossible to enumerate all the minor casualties.

BLOWN TO ATOMS.

Dynamite Explosion Killed Six Men at a Railroad Camp.

Keyser, W. Va., Dec. 31.—By a dynamite explosion at Baker Camp, near Durbin, Pocahontas county, on the line of the Coal & Iron railway, now building out from Rikins, six men were killed and several others fatally injured. The accident happened yesterday while the men were at dinner. Some dynamite had been placed about the stove to thaw, and shortly after a terrific explosion wrecked the camp, killed three men outright and injured eight others, three of whom have since died. The three men were blown to atoms, legs, arms and hands and even parts of their bodies being found in different directions from the building in which they lived. The names are not obtainable tonight.

Minister Back Coming Home.

Atlanta, Ga., Dec. 31.—A private telegram received here from Colonel A. E. Book, United States minister to Japan, says he has sailed for San Francisco on route home.

Stage Fall Over a Cliff.

Ozark, Colo., Dec. 31.—In a runaway accident about three miles above the city the Red Mountain stage was overturned and six passengers precipitated over a cliff about 70 feet in height. Mrs. R. S. Hickey, a passenger on the coach, received serious and perhaps fatal injuries. The driver, John Bates, sustained a compound fracture of the right leg and many body bruises. Other passengers were more or less injured.

BROKE THROUGH ICE.

Drowning of Forty-nine School Children Near Foster, Iowa.

Davenport, Ia., Dec. 31.—A startling rumor is current here that 49 school children were drowned while skating on the river near Foster, Ia. It is impossible to confirm the report. A traveler who arrived at Seymour, Ia., 15 miles west of Foster, early today, was left Foster late last evening and knew nothing of such an accident.

Say Report is True.

Des Moines, Ia., Dec. 31.—Telephone messages by way of Oskaloosa and Ottumwa say the report of the drowning of 49 school children at What Cheer is true. The children were skating on a pond near the fair grounds and the accident occurred about 9 o'clock in the evening. Wire communication with What Cheer cannot be obtained at present.

No Particulars Obtainable.

Chicago, Dec. 31.—A special to the Record from Des Moines, Ia., says: At 2 o'clock this morning communication was secured with the mayor's office in Oskaloosa over the telephone, and it was stated there that information had been received from Ottumwa confirming the rumor that 49 children had been drowned in What Cheer, this state.

It was stated that the children had been skating on a pond near the fair grounds. There were only a few escapes. The tragedy occurred about 9 o'clock in the evening. Beyond this no particulars were known in Oskaloosa. What Cheer cannot now be reached by wire.

Through the office of a telephone company at Indianapolis it was learned from the Oskaloosa office that the Ottumwa office had learned that the rumor of the drowning of 49 children was true. No particulars could be obtained.

DAMAGES FOR LYNCHING.

After a Long Suit a Woman Gets \$4,000 for the Killing of Her Husband.

Chicago, Dec. 31.—Mrs. Lulu C. Jennings, now of Chicago, has just been awarded \$4,000 for the lynching of her husband in Ripley county, Ind., three years ago. The money will be paid over by the eight bondsmen of ex-Sheriff Henry Bushing, and is the result of a private settlement of the indemnity suit instituted by the widow three months after the murder. This puts an end to a case that has aroused attention all over the United States.

William Jenkins was one of five men lynched in September, 1897, for alleged complicity in the stealing of a horse from Lisle Levi, of Osgood, Indiana. Levi was a victim of the mob. The men killed were Robert Andrews, Heine Schuter, William Jenkins, Clifford Gordon, a 17-year old boy, and Lisle Levi, an aged soldier. There was a fight in which shots were fired at a deputy sheriff.

Jenkins, with the others, was arrested and taken to jail at Versailles, Ind. Mrs. Jenkins, suspecting that mob violence was brewing, walked from Osgood to Versailles at night and paced the streets till dawn, armed with a revolver. For several hours she waited under the window of her husband's cell, ready to challenge any who came to do him harm. Her fears being finally allayed, Mrs. Jenkins started for home. No sooner was she out of sight than a mob gathered. Dragging out the five men, the mob killed them in succession by beating them over the head with a market stool.

Mrs. Jenkins was compelled to flee to save her own life, coming to Chicago. Here she brought suit for \$5,000 damages against Sheriff Bushing's bondsmen before Judge Baker in the United States circuit court. The suit dragged along for three years and finally the bondsmen decided to settle outside of court.

Mrs. Jenkins, when compelled several months ago to go to Ripley county to attend the trial of the case, was protected by a body guard of government detectives. She will go to Versailles next week to get the \$4,000.

Found An American Diamond Mine.

Alamo Gordo, Dec. 31.—A prominent railway official here today received a box of 50 gems closely resembling and alleged to be diamonds found near Capitan, the coal camp on the line of the El Paso & Northeastern railway company, 80 miles north of this place. The stones were found by J. J. Blow, formerly associated with the De Beers Consolidated company and Kintberly, South Africa, who has been secretly investigating the field for the past month, and a letter from him accompanied the shipment states that they are either diamonds or something so closely resembling the gem that they deceive him. They will successfully stand every crude test known. The gems will be sent away for final analysis.
