How About Your Title?

ARE YOU SURE it is all right? Remember that it is the RECORD that governs. If it is your business to search the records and show what they contain in relation to land titles. If you contemplate buying land or loaning money on real estate security, take no man's word, but insist upon knowing what the record shows regarding the title. An abstract is as essential as the record shows regarding the title. We have the only set of abstract books in the county. All work promptly executed and satisfaction guaranteed. If you have property to insure give us a call. We are agents for the best fire insurance companies in the world. If you have property for sale list it with us and we will find a buyer.
