Bert West Has Become the Owner of the Valuable West Estate.

Bert West, of Scappoose, who was already owner of a half interest in the West estate, containing nearly 800 acres, has purchased the interests of the other heirs, and is now the sole owner. Suit was brought in the circuit court by Mrs. Ellen Ellis and Mrs. May Wann, heirs against Bert West, for an order to sell the property and divide the proceeds, while on the other hand, the latter contended for a partition of the real estate. The court made an order in favor of the plaintiffs, and the property was ordered sold at public sale on September 19th, to the highest bidder, the order providing that no bid should be considered under $16,000. By stipulation, the sale was ordered postponed for one week, and in the meantime a compromise was effected whereby Bert West purchased the interests of the other heirs.

Mr. West is to be congratulated on securing permanent possession of his place, which is the most desirable farm in the Scappoose neighborhood.
