How About Your Title?

IF YOU HURE it is all right? Remember that it is the
RECORD that governs. It is our business to search the
records and show what they contain in relation to land
titles. If you contemplate buying land or issuing money on real-
estate security, take no man's word, but insist upon knowing what
the record shows regarding the title. An abstract is as essential as
the record itself. We have the only set of abstract
books in the county. All work promptly executed and satisfaction
guaranteed. If you have property to insure give us a call. We are
agents for the best fire insurance companies in the world. If you
have property for sale list it with us and we will send a buyer.
