How About Your Title?
 IF YOU SURE it is all right! Remember that it is the RECORD that governs. It is our business to search the records and show what they contain in relation to land titles. If you contemplate buying land or locating money on real estate, you must know what the records show regarding the title. An Abstract is an essential as a deed. Insist on having it. We have the only set of abstract books in the county. All work promptly executed and satisfaction guaranteed. If you have property to insure give us a call. We are agents for the best fire insurance companies in the world. If you have property for sale let us with us and we will find a buyer.
