COUNTY OFFICIAL PAPER.

ISSUED EVERY FRIDAY MORNING BY ESTELLA GABRIERE, Editor and Proprietor.

SUBSCRIPTION PRICE: One copy one year, in advance, \$1.00 Six months, .60

Friday, November 6, 1903.

This paper is kept on file at the Oregon Press Association Room 9, Hamilton building, Portland, Oregon.

This issue is a little late on account of setting up the delinquent tax list, and it was impossible to get extra help.

At divers times times in the past this paper has urged the importance of the establishment of a condensed milk plant in St. Helens.

It is now an assured fact that the Western Cattle Company will at once put in a plant at Hamilton, employing from 100 to 125 hands.

Rainier would have been the first road district in Oregon to levy a special tax under the new law.

In the elections held Monday, Schuette, the union labor candidate, was re-elected mayor of San Francisco.

The supreme court has decided that the new tax law is unconstitutional, and unless a special session of the legislature remedies the matter, no taxes can be levied or collected.

Stepped Against a Hot Stove. A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely.

Logs and Timber Products. County Commissioner H. L. Colvin, who conducts the largest logging camp on the lower Columbia, says that the lower price of logs does not stop the production of this piece.

The logging operations on the East fork of Lewis river in the northeastern part of Clark county are still being rushed along, and about 60 carloads of logs are being taken out daily.

VERNONIA

Gentle dewdrops again falling. People complaining of potatoes rotting badly, even after being dug. C. V. Palmer has gone to Pittsburg to work for A. L. Parker.

Some of our citizens have already begun to prophesy a hard time to come at this fall. Really! We are informed that Charles Malmon is the proud possessor of a big bounding boy, a couple of weeks old.

Joe Coulter while trying to get an unruly cow in the barn, in a fit of anger, threw his hammer and broke the bone in one hind leg, causing the cow to be killed in a few days.

Supervisors for this valley, if it is to be clear, and not appoint the sucker after office, but one who will continue the good work already begun by Supervisors Mellinger and Shesley.

It is now an assured fact that the Western Cattle Company will at once put in a plant at Hamilton, employing from 100 to 125 hands.

Rainier would have been the first road district in Oregon to levy a special tax under the new law.

In the elections held Monday, Schuette, the union labor candidate, was re-elected mayor of San Francisco.

The supreme court has decided that the new tax law is unconstitutional, and unless a special session of the legislature remedies the matter, no taxes can be levied or collected.

Stepped Against a Hot Stove. A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely.

Logs and Timber Products. County Commissioner H. L. Colvin, who conducts the largest logging camp on the lower Columbia, says that the lower price of logs does not stop the production of this piece.

REUBEN.

Alfred Johnson and family from Mooreville to Kalamazoo Friday. Emile Lauber and family, of Kalamazoo, are visiting Mr. Lauber's son Mrs. J. Gruber.
