**The Best Remedy For Croup.**

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a cough from one of the children. The croup remedies are almost as sure to be lost, in case of croup as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and tain, but some modern physicians say that Chamberlain's Cough Remedy is better, and does not cost so much.

It caused the patient to "cough up" the phlegm quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by St. Helens Pharmacy.
