RECTOR OF ST. LUKES.
Auburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.
AUBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a couple bottles, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy. Respectfully yours,

THE OLD RELIABLE
ROYAL BAKING POWDER
Absolutely Pure

HOULTON
Things are moving in Houlton, and it bids fair to become an active industrial city, and a boom is now actually on. The first proof of the Western Co-operative Company's office is completed, and a dozen workmen are busy on the big factory structure. Another general merchandise store is to be opened, and a Portland man contemplates building another hotel, and it is probable that a neat market will soon become a reality.
Nothing, however, has tended to stir up matters more than the fact that three petitions for liquor licenses are being circulated, and will be presented at the January term of the county court. There is considerable opposition to the granting of liquor licenses in Houlton, a fact which is not surprising. The issuance of three saloon licenses would mean \$1200 for the county school fund, but in the event of the issuance of liquor licenses, Houlton would probably incorporate, and get benefit of her own license money.
Houlton Camp, Woodmen of the World, elected the following officers at the meeting held Saturday night: Consul commander, Lester Bailey; adjutant, E. A. Emerson; clerk, E. H. Girty; banker, George Smith; escort, C. H. Eric; warden, Frank Kelly; sentry, Eljith Cooper; manager, U. W. Clark.
Following are the newly elected officers of Houlton Circle, Woodmen of Woodcraft: Past guardian, Lester Bailey; guardian, E. H. Girty; manager, Mrs. Burdell Smith; clerk, Mrs. Willie Bailey; attendant, Clara Barnett; musician, L. L. Bailey; captain of guard, Mrs. Lillie Percy; inner sentinel, Mrs. A. P. Usher; outer sentinel, Mrs. Rymal, musician, Mrs. U. W. Clark; manager, Mrs. Katie Perry.
W. J. Mellinger has purchased the Evangelical church property, paying therefor the sum of \$300. The property consists of a church edifice, parsonage, stable and acre of ground. It is situated on Mellinger's residence property, and he secured a bargain in the purchase. The parsonage is already occupied by a tenant, and the church building will be turned into a dwelling.
James Spence has sold his lot and building across the street from Bailey & Brinn's store, to Jess Hendricks for \$250. The lot is 22x100.
The Northern Pacific Railroad Company has laid out the wages of section men at \$1.25 per day, the men on the Houlton section all quit, and Section Foreman Rowley was alone for two days. One of the men, however, returned to work.
The Sunday-school and the Christian Endeavor Society are each prospering with good attendance.
Morris and Miss Eunice Little, who are attending school in Portland, were here and spent the Thanksgiving holidays with their grandmother, Mrs. E. B. Little.
Miss Ruby Jackson visited at her home at Rainer over Sunday.
There was a large attendance at the hard times masquerade ball, and the prize was awarded to a Portland young lady.
