How About Your Title?

ARE YOU SURE it is all right? Remember that it is the
RECORD that governs. If you have any doubts as to the
correctness and show what they contain in relation to land
titles. If you contemplate buying land or loaning money on real-
estate, take no man's word, but insist upon knowing what
the record shows regarding the title. An Abstract is as essential as
a deed. Instead of having it, we have the only set of abstract
books in the county. All work promptly executed and satisfaction
guaranteed. If you have property to insure give us a call. We are
agents for the best fire insurance companies in the world. If you
have property for sale let us talk it over and we will find a buyer.

CHANGING MINING LAWS.

Bill Relating to Mineral Veins Within
Boundaries of Placers.

Washington, Jan. 6.—Representative
Dixon, of Montana, has introduced a
bill to amend the laws relating to min-
eral veins or lodes within the bound-
aries of placer claims. He proposes
to change section 2320 of the Revised
Statutes so as to read: "The deputy
mineral surveyor making a survey for
any application under this section
shall examine and state in his field
notes whether there is within the bound-
aries of such claim a vein or lode such
as is described in section 2320, and if
so, shall designate the location of the
same upon the plat to be filed with
such application."

He also proposes to change section
2333 by inserting the following:
"When a vein or lode such as is de-
scribed in section 2320 is shown by the
field notes and plat filed with the ap-
plication to exist within the boundaries
of a placer claim, an application for a
patent which does not include an applica-
tion for the vein or lode claim shall
be considered as a conclusive declara-
tion that the claimant of the placer
claim has no right of possession of the
vein or lode claim; but where the exist-
ence of a vein or lode in a placer claim
is not so shown a patent for the placer
claim shall convey all valuable mineral
and other deposits within the bound-
aries thereof."
