M. C. GRAY, St. Helens, Or.

Last Monday was Washington's Birthday, and in at least one St. Helens home the occasion was celebrated in a thoroughly enjoyable and patriotic manner. We refer to the Washington party given by Dr. and Mrs. Ross to as many of their friends as could conveniently find room within their cosy parlors. As soon as the guests were all present each was handed a small wooden hatchet, upon which was printed the first letter of a name and two numbers. The names were those of the presidents. Around the parlors and hall were concealed little hatchets bearing the missing letters and also bearing a number corresponding to the one on the left hand edge of the blade of the hatchet furnished to each guest, the number on the right hand edge being the number of letters in the name sought. Then the search for the missing letters began, and created no end of fun, resulting in the success of Mrs. Jay Denning, who was awarded a beautiful silk flag and a photogravure of Washington. The booby prize was awarded to a gentleman from Salem, whose name we failed to catch. "Flinch" and "Pit" were the succeeding amusements, followed by an elegant luncheon. Dr. and Mrs. Ross are to be congratulated upon the success of their novel entertainment.

The Rathbone Sisters gave a pleasant dancing social to the Knights of Pethias at the Masonic Hall in this city on Tuesday evening last. The rule seemed to be for each one present to do as much as possible for the others' enjoyment, and of course the result was in every way satisfactory. A substantial lunch of sandwiches, coffee and cakes was served at a late hour, after which dancing was resumed until an early hour. There were quite a number of invited guests, all of whom appreciated the courtesy of their entertainers. The music for the occasion was furnished by Messrs. Newton Perry and Charles English.

The total valuation of all taxable property in the State of Oregon for 1903, shows an increase of $5,460,986.93 over 1902, or .1719 per cent. Columbia county shows an increase of $124,512, or .1404 per cent; over three per cent less than the average increase throughout the State, while Clatsop County shows an increase of .4496 per cent, and Clackamas an increase of .9958 per cent, or practically double. It would seem as if the assessor in that county was ready to retire from office.

Columbia County has received an official invitation to make a special exhibit at the Lewis and Clark Centennial Exposition. It would do much more practical good to have a good agricultural exhibit at the State Fair.

Smith & Howard have secured the contract for furnishing 460,000 Belgian blocks to the city of Portland. The blocks will be quarried at St. Helens by Mr. McKie, who has the contract from Smith & Howard. This means the employment here of forty men, whose wages run from $2.50 to 18 per day. The Sisters quary, below town, will be opened, the surface rock covering the quarry being sent to Portland to be crushed and used on the streets. It looks as if old St. Helens would be a busy and thriving community this season.

WEEDS

Consumption is a human weed flourishing best in weak lungs. Like other weeds it's easily destroyed while young; when old, sometimes impossible.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't.

Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
