The steamer Hassalo, on her up trip Tuesday, brought 111,500 pounds of cheese from the factory at Tillamook. It was consigned to different parts of the State and to San Francisco. It is rumored that a big cheese factory will soon be established in Columbia county, and that options with this in view have been secured upon tracts of land in the neighborhood of Deer Island.

Mr. Geo. Perry of Houlton, paid the Mist office a pleasant visit last Friday. Mr. and Mrs. Perry are making a specialty of raising pure-bred barred Plymouth Rocks. They do not have to seek a market for their hen fruit but sell every egg their hens produce, to the Portland Hotel, at a few cents above the regular market price. This is what it means to produce a first class article in any line.

Mrs. T. C. Watts, of Reuben, was a visitor to the county seat.

Mr. Reuben Graham, a native of Columbia County, but now a successful member of the Portland bar, was in attendance in the present term of circuit court, in company with his law partner, Hon. T. J. Cleeton, formerly a representative from this county in the State Legislature.

The Indian War veterans are at last to have a measure of justice. A Washington dispatch states that the pension office has decided to place a liberal construction upon the act of June 27, 1902, and will hereafter allow pension claims filed under that act without an endless amount of red tape. Veterans are to receive $8 per month from the date of the passage of the act.

Notice the advertisement of the Hazelwood Cream Co. for the U. S. Cream Separator. Every farmer who owns two or more cows ought to have a separator. Write the Hazelwood people, mentioning this paper.

The taking of the agricultural census, now in progress, shows that Scappoose produced during the past year [illegible] pounds of butter. That's some butter, but nothing compared to what it will produce in the future, unless the price of cream is too high to make butter profitable. And it's the best butter in the world, as we propose to show at the Lewis and Clark Centennial. Scappoose is undoubtedly the greatest agricultural precinct in this county; but the land is just as good and as a rule better in other precincts. When the logging camp and the sawmill have done their work there will be ten settlers where there is now one and the soil will give them all prosperity.

We guarantee every article advertised to be the best in the market, and if not found so your money cheerfully refunded. PERRY & GRAHAM.

Mr. J. P. West of Scappoose, has had bills printed for a sale of his fine grade Jersey and Holstein cows, to take place June 5. If you want a good cow for dairy or house this is your chance. They are all record animals.

Fulton, of Astoria, was in St. Helens last Monday as a counsel for Kesting & Flood, of the Baker Theater Portland, on a motion to dissolve an injunction requiring Annie Abbot, otherwise known as the Georgia Magnet, to fulfill her contract to appear solely at the theaters under the control of Kesting & Flood. The injunction was sustained.

Hazelwood Cream Co. is making special effort to build up cream routes in Columbia county. Write them if you want to interest them in your neighborhood.

We carry the largest up to date shoe stock in Houlton, with such well known brands as J. Miller and Stilson, the best shoes made. PERRY & GRAHAM.

Mr. and Mrs. Wm. Downing, Mrs. Butler and Mrs. McDonald, of Portland have been visiting in St. Helens the past week, the guests of Mr. and Mrs. S. A. Miles.

Hazelwood butter brings a higher price because of the quality. This quality is due to the fine plant and expert skill in the manufacture. If you want to ship cream that is made into the highest-priced butter, ship to Hazelwood. Notice their advertisement of the U. S. Cream Separator.

The oration will be delivered by Omar Spencer, son of Mr. Israel Spencer, who is a student at the Stanford University, but will endeavor to be at home on May 30th to do honor to the cause for which his father fought. A general invitation is extended to all to be present.

The basket social and dance given by the St. Helens Jr. baseball club at the Masonic Hall last Friday evening was a success in every respect, the music as good and the ice cream and lunches disappeared rapidly. Mr. T. A. Cloninger auctioned off the baskets, and realized $29.50 for the boys' treasury. Six gallons of ice cream and nearly a hundred bottles of soda water were sold. Mr. P. A. Frakes has returned from Minneapolis, where he went in search of some Holstein Friesian cattle to strengthen his Lake Side herd. He purchased and brought home nine head, several of which towered above all competitors at the St. Louis World's Fair. Mr. Frakes picked out the grand champion herd. One of them is Sir Mechtilde Jewel 32732. This young fellow was also first prize calf and junior champion at the Minnesota State Fair 1902. Growing Aches and Pains.

Mrs. Josie Sumner, Bremond, Tex., writes, April 15, 1902 "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. It is the best liniment I ever used." 25c, 50c and $1.00. Sold by A. J. Deming.

Prophets may be without honor in their own country, but in the case of Joaquin Miller there is a poet who is a poet who is going to be honored in his own country. There is to be a "Joaquin Miller Day" at the Exposition, which opens June 1 at Portland, the city where Miller's first volumes of poetry were published and the metropolis of the state where the poet grew to manhood.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernendes, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease which robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at St. Helen drug store; price 50c.

An interesting exhibit in the Mines and Metallurgy building at the Lewis and Clark Exposition is now in course of construction. A minature mountain is being constructed for the purpose of showing methods of coal mining in Washington. The mine will be tunneled, and a minature car will run around the mountain and through the tunnel. The mountain is thirty feet long by twenty wide and is fifteen high.

EXPOSURE.

To cold draughts of air and keen cutting winds, sudden changes of temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horehound Syrup is the best cure. Mrs. A. Barr, Huston, Tex., writes, Jan. 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take. Sold by A. J. Deming.

John Hunt, one of Oregon's oldest pioneers, has built a minature corn crib, to represent the kind of crib used by the Oregon farmers in the old territorial days, which he will exhibit at the Lewis and Clark Exposition.

To Negligent Property Owners—Fix your sidewalks. You do not know how much a bad side walk injures the reputation of your town. Sunday afternoon a young lady of Portland was walking on the sidewalk to the right of the Post-office when her foot went through a treacherous hole into about a foot of mud, resulting in quite a serions strain on the ankle. Now do you suppose she'll have a good word for our town? Never. And remember the fair is already to be opened. Think of all the strangers that will be here.

Saved by Dynamite.

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption Coughs and Colds, which eased her cough, gave her sleep and, finally cured her." How We Do It

We have had so many people ask us how we do it—how we sell our goods so much cheaper than Portland merchants. This is our answer: When we kept store in Portland we paid $300 per month rent, hired clerks, and had other expenses too numerous to mention. Here you all know the rent is not nearly that amount. We do our own clerking, unpacking, etc. In Portland our customers had to pay higher prices for the goods to enable us to make expenses. Here you get the benefit in goods of what we otherwise pay out in expenses. Hoping you will benefit yourself by this lettter, I am,

Sincerely yours,

L. SWETT,
