## How We Dolt

We have had so many people ask us how we do it-how we sell our goods so much cheaper than Portland merchants. This is our answer: When we kept store in Portland we paid \$300 per month rent, hired clerks, and had other expenses too numerous to mention. Here you all know the rent is not nearly that amount. We do our own clerking, unpacking, etc. In Portland our customers had to pay higher prices for the goods to enable ns to make expenses. Here you get the benefit in goods of what we otherwise pay out in expenses. Hoping you will benefit yourself by this lettter, I am,

Sincerely yours,
