BLEDDING IN EWEON.

Only Country in Which the Sparkstotting Is in Common Use. The Swedes have made a fine art of sledding. Their fastest sled is called the sparkstotting...

The use of it now extends throughout Sweden, where races upon this original vehicle constitute one of the most highly appreciated sports of winter.

The sparkstotting is constructed entirely of Norway spruce. It is straight, of elongated form and weighs no more than thirty pounds.

If the snow is very hard and the racer is not provided with spiked shoes, it is necessary for him to fix steel coils to the soles.

WELL MEANT, BUT NOT TACTFUL.

Mrs. Chase's rosy face wore an unaccounted frown when her friend, Susan Wetherbee, came in, and as it did not lift immediately...

"What's she said now?" Susan inquired, with mild curiosity. "You may have noticed that Deacon Chase got up and went out of church last Sunday afternoon?"

MARITIME WORLD'S FAIR.

Plans are being made in New York to celebrate two years hence the centenary of the use of steam in navigation...

"I talked, but I shall never know what I said," replied Mrs. Chase, tragically. "When the minister had gone I asked Salome what on earth possessed her to say that."

"I never!" said Susan. "What did start the deacon up?" "Why, all of a sudden he remembered he'd left the gate between the pasture lot and the garden open, and he was afraid the cow'd get in an eat up his corn."

Never worry about anything that you can put off until to-morrow. Many of the worries of to-day, if put off until to-morrow, will take care of themselves.
