The county clerk's office is compiling the valuation of the assessable property in the various school districts of the county, and will have the work completed this week. Lists will then be sent to each school clerk, to be used as a basis for the levy of special school taxes in the different districts.

ACCIDENT AT SOUTH SCAPPOOSE—Mr. James Higginbotham had his right leg and collar bone broken last Tuesday at Jeff's mill, on the South Scappoose, by being crushed by a sawlog. He was carried about three miles to his home and Mrs. Cliff and Ross, of St. Helens, summoned to attend to his injuries.

BIG TIMBER DEAL—A deal is said to be on foot for the transfer of 6,000 acres of timber land in this county. The land lies at the head of the Scappoose and belongs to a number of parties, among whom are Messrs. Ladd, Montgomery, and Giltner, of Portland. The purchasers are said to be the Chapman Lumber Company, in connection with Eastern capitalists.

CAR SHORTAGE AT HOULTON—The Western Co. at Houlton reports that it is unable to secure cars from the Southern Pacific company to ship its product. It has one order for fourteen cars which it is unable to furnish in anything like reasonable time on account of this lack of transportation facilities. There does not seem to be any relief in sight, and it is probable the shortage will occur at intervals until new roads reach the coast. Other industries in Columbia County are suffering from the same cause.

SCAPPOOSE

MISS WATKINS WINS—Miss Daisy Watkins, of St. Helens, is the successful contestant for the Evening Telegram's prize of a free trip for herself and a companion, with certain expenses paid, to Catalina Island, Yellowstone Park, Yosemite Valley, or Coronado Beach, she receiving 100,000 votes. Miss Watkins' votes evidently came from other counties as well as Columbia, but Rainier and Houlton are entitled to especial credit for the good work done. The result is a credit to the workers and a high compliment to Miss Watkins.
