LOCAL

STOLEN AND RECOVERED—Mr. Frank Glinieski, of St. Helens, missed his gasoline launch last Monday morning, and as it represented an investment of about $400 of his hard earned wealth, he was feeling pretty bad about it, and an earnest effort was being made by Deputy Blakesley to recover it. He is feeling better now, for his launch has been recovered and returned to him. It was found by Mr. John Braem, of Rainier, who was returning to that city from St. Helens, when he saw the launch upon the beach about two miles below Columbia city. It was tied there and it is t' ought that it was taken by some person who objected to walking, and, when he ran out of gasoline, had sufficient decency not to destroy the boat.

IN TROUBLE—The family of Mr. Geo. Grant, of Scappoose, seems to be having more than its fair share of misfortune just at present. Robert Grant received very severe injuries by being caught between a carriage and log while at work in a sawmill at Tenino, there is sickness in the home circle, and Mrs. Courtney Davidson, of Mayger, who died on Saturday last, of consumption, was a sister of Mrs. Grant. It seems to be true that sorrows and troubles never come singly.

Since the above was put in type news has come of the death of the young man in the hospital at South Bend, Wash.

Come and make a deposit with us and pay all your bills by check, which gives you a receipt to which you can always refer. Columbia County Bank.

A SAWMILL IN—Mr. W. C. Brown offers to build a sawmill with a capacity of 100,000 feet per day provided the citizens of St. Helens will purchase the mill site from Muckle Brothers and present it to him, and also provide rail connection with the Northern Pacific. We are surprised at Mr. Brown's moderation. He should have also included an obligation on the part of the people of this community to furnish him with a supply of logs and ships to take away his manufactured products.

No amount too small to start an account with the Columbia County Bank

I have money to loan on approved real estate security.

W. H. POWELL,
St. Helens, Oregon.

School report cards—the very best form—$1 per hundred, with envelopes.

Miss. Marie Watts, of Scappoose, was in St. Helens Tuesday. Miss Watts is also a candidate for election. She desires to secure one of the Oregonians free trips to the Yellowstone Park

Mrs. R. H. Flagg is visiting her son Dennis, at his home in Seattle.

We pay interest on time deposits. Come and see us. Columbia County Bank.

The Columbia City and Nehalem Railroad Company is extending its rollway at the incline, so that it can dump its logs directly into the river, and thereby save the great waste that has been caused by the logs shattering when dumped from a great height.

Mr. H. J. Watters is convalescing after his attack of typhoid fever.

Mrs. Dart and daughters spent Sunday at home, returning to Portland on Monday.

ANOTHER NEW RESIDENCE—Mr. W. H. Powell has purchased four lots on the old church hill and will build a modern home there in the near future.

We know we can be of service to you. Come and see us. Columbia County Bank.

PLYMOUTH ROCK EGGS—For sale at $1 per setting of fifteen eggs. Barred Plymouth Rocks and full bloods.

GEO. PERRY, Houlton, Ore.

W. D. CASE INJURED—Mr. W. D. Case, formerly County Commissioner of Columbia County, received a very painful and serious injury while at work as a carpenter on a building at Scappoose. Mr. Case was carrying some lumber across a joist, when his foot slipped and he struck astride the joist. He was taken to Portland where it was found necessary to perform an operation. He will recover, but it will be quite a long time before he will be able to resume work. Mr. Case is an elderly man and as he is dependent upon his work for his support, this accident will be a serious affair for him. He has very many friends in this county who will be sorry to hear of his bad luck.

When you wish to send away money, come and purchase a New York draft, payable on demand any place in the United States, and our charges are small. Columbia County Bank.

Mr. and Mrs. W. H. Powell, Dr. H. R. Cliff, Mr. and Mrs. Martin White, Mrs. C. H. John and Dr. Edwin Ross attended the funeral of Martin Both at Rainier last Sunday.

WAGON FOR SALE—A 3¼ Mitchell wagon, three-inch tires, and a $40 set of double harness for sale for $100. Have had one year's use. W. F. Cooper, Warren, Or.

The funeral of Martin Both, of Rainier, took place at the Pythian hall in that city at 2 o'clock last Sunday afternoon, under the auspices of the Protective Order of Elks, of which association he was a member, the beautiful ritual of the order being used, after which Rev. Clapp, of the Congregational Church, read a biographical sketch of the deceased. The Knights of Pythias attended in a body. Martin Both was a resident of Rainier for seventeen years and took a prominent part in business and political matters. He represented Columbia County in the State Legislature in 1903 and was a devoted adherent of Hon. C. W. Fulton, our present Senator. Mr. Both leaves a wife and four children to mourn his loss. Mr. Both was a loving husband and a kind and indulgent parent.

Seeds in endless variety and quantity. Garden Seeds, Flower Seeds. Why send away for them

M. C. GRAY, St. Helens.

Miss Gail Laughlin, one of the leading advocates of equal suffrage, will lecture in St. Helens on Wednesday, April 11.

Harry, son of Matthew Grewell, died at his home in Warren, on Tuesday, March 27th, of consumption. The funeral occurred yesterday at the M. E. Church at Warren. Interment in the Odd Fellows cemetery.

Mr. Harrison Allen was in St. Helens Thursday, looking after the probating of the will of Martin Both. Mr. Both leaves an estate valued at $20,000. The executors are Julia Both, Fred Trow and G. B. Johnson. The witnesses are Dr. McLaren and A. L. Clark. The devisees are Mr. Both's children to whom he left $1500, the balance of the estate going to his wife.

The St. Helens lodge of Rebekahs gave a very pleasant social to their brothers of the Odd Fellows and a number of invited guests last Wednesday evening. Sandwiches, ice cream, cakes and coffee testified to the hospitality of the ladies and all present seemed to have a very pleasant informal time. Before departing Mr. W. B. Dillard expressed for the guests present their appreciation of the kindness of the hostesses.

RAINIER

Rutherford and Heacock are making extensive improvements. Among other things they are installing a much larger boiler in addition to the one now in use, also a new 150 horsepower engine and a planer. The new machinery is now being put in place. One of the light companies has contracted for power from their boilers.

A large and heavy turning lath, to be used in C. C. Wilson's mill, was upset and badly broken on Quincey street while being hauled away from the depot last Friday. This occurred on the principal street and hardly 150 feet from the depot. The heavy castings were loaded on A. B. Koplin's wagon, drawn by four horses, and when half way up the hill one of the wagon wheels dropped into a hole in the street and upset wagon and all, breaking some of the castings. Clearly some street repairs are needed.

The new Dibblee building will not be used for a hotel as at first planned. The demand for new store rooms has caused Mr. Dibblee to decide on putting two large rooms on the ground floor for general merchandise stores. This is a good idea, as there should be more stores on the south side of Water street, to accommodate customers who are delayed for hours at a time by the annoyance of freight trains standing in the middle of the street. The south side of the street ought to be the business side.

There are two light companies now, the Rainier Electric Light and Powe Co. having incorporated and secured the Ely franchise. This company has secured from Rutherford and Heacock a site for a power house which is in process of erection. The building will be 21x44 feet, built on piling. The engine, dynamo, and other machinery has arrived and will be installed as soon as the building is ready. The power will be secured from the boilers of the mill. A large new boiler has been placed in position by the owners of the mill, partly for this purpose. The other company is the Rainier Water, Light and Power Co., and are the successors of Magoon, who secured his franchise last September. This company gets its power from the Rainier Mill and Lumber Co. This company has been lighting both residences and streets for some time. They are also giving very cheap rates to public halls on long time contracts. The lights are good and are giving excellent satisfaction. One light company would no doubt pull out about even, but with two in the field some one will surely loose money.

Milton Gilbreath died Monday afternoon at the home of his brother, Craig Gilbreath, in Rainier. He was born here 44 years ago in the old house in the orchard at the corner of New Bedford and Commercial streets, now owned by J. Silva. When about 18 years old he moved to Klickitat County, where he remained and acquired property. About 8 years ago he became blind, the original cause being snow blindness. He then came to Rainier to live with his relatives. Some two years ags he sold his property in Washington. Several brothers and sisters live here. The funeral took place Wednesday, Mar. 28.

Lester Bell was arrested Sunday evening for shooting a revolver on the principal street, near the depot. He was locked up in the town jail till Monday morning. A large and dangerous revolver was found in his possession. The police judge fined him ten dollars and costs. We are informed he was under the influence of liquor when he committed his misdemeanor. As he is a minor, the question is, where did he get his liquor, and is there no way of reaching the person who sold it?

DEATH OF MRS. ARTHUR QUIGLEY

Charged by Her Husband With Infidelity, She Kills Herself.

Mrs. Arthur Quigley was a daughter of Mr. Geo. Burns, formerly of Quincy, and her husband was formerly a resident of and well known in Columbia County, therefore we regretfully publish the following from Monday's Telegram:

Accused of infidelity and threatened with the loss of her home and child, Mrs. Arthur Quigley ended her life by suicide Sunday morning. The fatal act was the second attempt within 24 hours. Mrs. Quigley strenuously denied accusations made against her, but failed to convince her husband of her innocence, and ended her life rather than bear the stain and lose husband and child.

Mr. and Mrs. Quigley reside near Vancouver Lake, a short distance north of this city, where they have a comfortable and valuable home. Mr. Quigley is an employe of the Great Northern Railway, and is absent from home most of the time. He returned from his last trip Saturday, and intended to remain a few days to care for the orchard at the home place.

Just before his return he received a letter from some person in Vancouver making accusations against his wife. Over this he brooded and accusations which followed caused the suicide.

Saturday evening there was a gathering of neighbors at the house. These people were entertained for some time by Mrs. Quigley, who was an accomplished musician. After this company had departed, Mr. Quigley accused his wife of infidelity.

She vehemently denied, but he refused to believe her statements and then told her they must separate. For some time Mrs. Quigley endeavored to convince her husband of her innocece and to effect a reconciliation, but her advances were repulsed. Finally the couple prepared to retire wen Mr. Quigley refused to occpy the same room with his wife, and retired to another apartment.

After he had left the room, shortly before 10 o'clock, Mrs. Quigley went to a closet ond procured a capsule containing several grains of arsenic. Going to the room occupied by her husband, she told him she believed neither could live without the company of their child, and bidding him goodbye, swallowed the dose. As soon as he realized what had been done, Mr. Quigley telephoned for Dr. Chalmers, telling him what had occurred. The physician hastened to the home and by the vigorous use of antidotes, managed, after several hours effort to overcome the effects of the poisoning and pronounced her out of danger. Dr. Chalmers remained with the woman until nearly 4 o'clock in the morning, and endeivored to persuade her to forego further attempts on her life. Her promises in this line were not very satisfactory, and before the physician left he cautioned those about the house to be on their guard against a repetition of the attempt.

Early Sunday morning Mr. Quigley had occasion to visit Vancouver. He left several neighbors in the house. About 7 o'clock these neighbors repaired to the kitchen to prepare breakfast, leaving Mrs. Quigley's son, 9 yearr of age, with her. Mrs. Quigley sent her son on an erraad. When the boy returned he discoured his mother in convulsions. Mr. Quigley and the physician were sent for. Dr. Chalmers discovered that the unfortunate woman had taken a large dose of carbolic acid.

Every effort was made to counteract the effect of the deadly poison without avail' and although Mrs. Quigley lingered for a much longer time than is usual in cases of poison of this character, she died before noon. She resisted all efforts of the physician and those in attendance for her relief, as long as she remained conscious, showing a determination to die.

Mrs. Quigley was 35 years of age and had been married for the past 16 years. She has resided in the Vancouver neighborhood for several years, and has always stood high in the estimation of her neighbors. Funeral services were held from her late home Tuesday morning at 10 o'clock.

DIED—At the home of his son, Wm. Hess, five miles southwest of Vernonia, Monday night, at 10 o'clock, Daniel Hess, aged a 101 years, 2 months and 21 days. He was born in Pennsylvania in 1805. At the age of 21 he removed to Ohio, where he remained until 1875, when he went to Southern Illinois, and resided there four years, coming to Oregon in 1879, where he has since lived, most of the time in Columbia County. He was married in early life and had two sons, one of whom survives him. William, who is now nearly 75 years old. His wife died 32 years ago. There are three or four grandchildren still living. Grandpa Hess had been a Christian for more than 70 years, faithful and consistent. He was loved and respected by all who new him, had no enemies and many friends. The funeral services were held at the church in Vernonia Wednesday at 11 a. m., the sermon being preached by Pastor Coleman to a large audience of neighbors and friends, after which the body was laid to rest in the cemetery near town. Peace to his ashes.

W. T. Watts, county surveyor, was here Tuesday, and with a crew of men was viewing and surveying the proposed change in the county road around the Spencer hill.

Mrs. Emmons closed a very successful term of school in the Tucker district last Friday.

Other important Vernonia news unavoidably left over.
