The rain this week is worth many thousands of dollars to this section of Oregon. It comes at just the right time to do the greatest good to the fields and gardens.

Save pay interest on time deposits. Come and see us. Columbia County Bank.

FOURTH OF JULY—The MET favors a rousing Fourth of July celebration at St. Helens, the principal feature to be the laying of the corner stone for the new court house. We should show our appreciation of the favor conferred upon us by entertaining all who will come and spend the day with us. It will be an important event in the history of Columbia County, and, if properly managed, it will bring together the largest gathering ever seen in Columbia County. It is short time to get busy on this proposition.

No amount too small to start an account with the Columbia County Bank.

PROSECUTING THE SALOONS—The anti-saloon league of Oregon has taken a hand in the saloon fight at Rainier, and by its detective has secured evidence against every saloon man in the town, charging them with violating the law against gambling. It is claimed that perfect evidence has been secured to convict every one of them, and counsel from Portland will assist the district attorney in the trial, which will occur some day this week before Recorder Doan.

Come and make a deposit with us and pay all your bills by check, which gives you a receipt to which you can always refer. Columbia County Bank.

Mrs. Sarah C. Rathburn, of Yankton, died on Tuesday morning last, of hemorrhage of the lungs, aged 36 years. Mrs. Rathburn was a sister of George, William, and J. N. Brinn, and half sister of Mr. Stannwood, of the firm of Stannwood & Holstein. With her husband she recently moved to Yankton, from her home at Vancouver, to which her remains were taken on Wednesday last for interment.

TO BEGIN WORK—Mr. P. A. Erickson, the contractor for the new court house, was in St. Helens on Tuesday last, to see about beginning work on the new building as soon as possible, probably in the first week of next month. He has taken the contract at a close figure and will undoubtedly do his best to cut down the expenses of construction.

The citizens of Clatskanie have contributed \$102 to the relief of the San Francisco sufferers. It was a very handsome sum for a small community to contribute and the act reflects great credit upon the good people of that community.

Take care of the dimes and the dollars will take care of themselves. Columbia County Bank.

The "Made in Oregon" Exposition to be held in Portland from May 19 to 26 is an unique affair. It is absolutely a free show and everything to be seen during the week, together with all displays, the spectacular features, parades, the music, fireworks, etc., will be as open as the streets themselves, which, for this occasion, will be the center of attraction. The exhibits and displays will be in the displays fronts, in almost unbroken lines and unusual liberties will be allowed, the city ordinances being suspended to allow the crowds to enjoy themselves. Manufacturers of the state, representative of infant industries away from the center of population, will be represented. It promises to be an exhibition that will attract a great deal of attention to the state's industries. Exhibits will be forwarded for the purpose of display, when provision is made in advance for their care, free of freight charges by the trunk line railroad companies.

The Rainier Mill & Lumber Company, Rainier, is running steadily, averaging 55,000 feet daily. The mill cleared lately the Winkelman for San Pedro with \$50,000 feet, consisting of an equal amount of mixing timbers and clear. The Daisy Mitchell recently loaded 150,000 of yard stock for Oakland. This company is insisting upon tally and inspection of cargoes at the mill.—Timberman.

There were eleven candidates for Representative voted for on the Democratic ticket. All of these names have to be certified to the Secretary of State, causing a great amount of unnecessary work to the election board and to the county clerk, and to some extent discrediting the direct primary law.

DEATH OF H. J. WATERS—Mr. H. J. Waters died at his home in this city on Saturday, April 21, of typhoid fever. He had been in an improved condition for some time, and it was thought he would recover, but a relapse set in and death ensued. Mr. Waters was born in Wayne county, Ohio, and at the time of his death was 41 years and eleven months old. He had resided in Oregon for seventeen years and in St. Helens for eleven years. He leaves a widow, three boys and one girl, and two brothers residing at Akron, Ohio. Mr. Waters was a sincere Christian, though not connected with any particular denomination. As a citizen and a neighbor he was highly esteemed by all who knew him, and probably no man in the community had a greater circle of friends. One who knew him intimately told the writer that he never heard him use a harsh or disparaging word toward anyone. The funeral took place at the Odd Fellows Cemetery at Warren yesterday (Thursday). Rev. Kemp conducting the services.

In addition to this they will give a ball next Saturday evening, the proceeds of which will be devoted to the same good purpose. Tickets 75 cents. Even if you don't dance you can afford to buy a ticket.

RADER AT RAINIER—Mr. Paul Rader, lecturer of the Anti-saloon league of Oregon, addressed an audience at the M. E. church in Rainier last Wednesday evening, his main purpose being to organize for the defeat of the proposed amendment to the present local option law. He very clearly demonstrated that the proposed amendment is a deception and a fraud, and will make it impossible for people to keep liquor out of any good sized precinct in Oregon. As this proposed amendment is to come before the voters at the June election it is high time for the voters to post themselves and not be led into the trap set by the liquor dealers association.

If, perchance, a copy of this paper should fall into the hands of any who are in search of a new location—a place where church, school and social advantages are given emphasis, and where you can live out your allotted number of years without fear of pestilence or famine, we say, like one of old, "Come thou with us and we will do thee good," without emphasis on the "do."
