BLOOD POISONING. Results from chronic constipation, which is quickly cured by Dr. King's New Life Pills. They remove all poisonous germs from the system and infuse new life and vigor; cure sour stomach, nausea, headache, dizziness and colic without gripping or discomfort.

DANGER FROM THE PLAGUE. There's grave danger from the plague of coughs and colds that are so prevalent unless you take Dr. King's New Discovery for consumption, coughs and Mrs. Geo. Walls, of Forest City, Me., writes: "It's a godsend to people living in climates where coughs and colds prevail. I find it quickly ends them. It prevents pneumonia, cures La Grippe, gives wonderful relief in hay fever, and makes weak lungs strong enough to ward off consumption, coughs and colds. Guaranteed by all druggists. Trial bottle free.

A BADLY BURNED GIRL. Or boy, man or woman, is quickly out of pain if Bucklen's Arnica Salve is applied promptly. G. J. WHAT DO YOUR DAUGHTERS READ? How many mothers know what kind of books their daughters are reading? If many give any thought to the subject of literature on the youthful mind? In the great field of fiction there are thousands of books which, while not directly immoral, are of such a trashy character that they can do inestimable harm.

A YOUNG MOTHER AT 70. My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until six months ago, when she began taking Electric Bitters, which have completely cured her and restored the strength and activity she had in the prime of life.

TROUBLE AHEAD. There is evidently a movement on foot to defeat Jonathan Bourne's aspirations to the United States Senatorship. There are senators and representatives who signed Statement No. 1, who would not hesitate to repudiate their pledge, provided they could find some reason for so doing strong enough to induce their constituents to overlook their dishonesty.

BEGIN EARLY. The Clackamas County Horticultural Society has requested the County Commissioners to take steps to have that county properly represented at the next State Fair. It is to be hoped Columbia County's Commissioners will attend to this matter at the January term of court, so that who ever has it in charge may

have ample time to secure an exhibit that will not be excelled by any county in the state. We have no doubt this can be done if a reasonable sum is appropriated and the work begun with the new year.
