BY COMMON CONSENT.

Over in Montana, not so very far from Oregon, they are suing the bondsmen of three State Treasurers to recover the sums of money which the State Treasurers received as interest upon state funds deposited in banks.

In Oregon this graft has been in existence for so many years that we suppose it may be defended as a vested right. Its continuance is due to the neglect of the people in not providing some sensible legal method of caring for the State's funds.

HOW ABOUT BINGER?

The Hon. Binger Hermann, ex-commissioner of the General Land Office, is traveling in Europe, Mitchell is in his grave, Williamson has been convicted, and others of the minor offenders have received their merited punishment.

RE-APPORTIONMENT.

Possibly the measure that will excite the most interest in the next Legislature will be the reapportionment of senators and representatives to the several districts of the State.

When Portland wanted an appropriation of \$500,000 for its Exposition this doctrine of proportionate representation was carefully kept in the back ground and there was no reference made to the Salem log unless it were to praise its rotund proportions and amiable disposition.

Senator Fulton's idea of harmonizing the Republican party by appointing as Collector an adherent of the Simon faction may be good politics, but its roughness on those who have been his personal followers for many years and would have been tickled to get a chance at the pie counter.

ROYAL Baking Powder Absolutely Pure

A wholesome cream of tartar baking powder. Makes the finest, lightest, best flavored biscuit, hot-breads, cake and pastry.

Alum and alum-phosphate powders are injurious. Do not use them. Examine the label.

POLITICAL VEAL.

Away back in Massachusetts the Democrats have nominated for Governor a youngster by the name of James H. Higgins, who, it is said, will not be twenty-one years old until the votes are in.

Famous Strike Breakers.

The most famous strike breakers in the land are Dr. King's New Life Pills. When liver and bowels go on strike, they quickly settle the trouble, and the purifying work goes right on.

If you or I, kind reader, should be so unfortunate as to be placed in a position where it would become necessary to steal a meal of vittals to keep down the pangs of hunger, and get caught at it, its dollars to doughnuts we would be looking through a checker board just as quickly as an indignant judge could pass sentence.

TOWNS AND ELECTRIC LINES.

The building of a new steam railway always means the location of new townships and the building of new cities. The construction of the North-Bank road to the mouth of the Columbia will probably result in a boom for some city across the river from Astoria.

Had a Close Call.

"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Stichel, of Miletus, W. Va.

A Year of Blood.

The year 1903 will long be remembered in the home of F. N. Tacket, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tacket's lungs that death seemed very near.

REAL ESTATE TRANSFERS.

Following are the real estate transactions filed for record during the week ending Oct. 27, 1906: W H and N E Dolman to Jas and Chas Muckle, se qr of nw qr sec 10, 4, 2.....\$ 10

An editor, after running up against the public for a little while, printed the following, says an exchange: A man may use the mole on the back of his neck for a collar button; he may ride a freight train to save three cents a mile; he may light the lamp with a splinter to save a match; he may stop his watch at night to save wear; use a period for semi-colon to save ink, and pasture his grandmother's grave to save tax.

Great happiness came into the home of S. C. Blair, school superintendent, at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' Dance, which yielded to no treatment but grew steadily worse until as a last resort we tried Electric Bitters, and I rejoice to say, three bottles effected a complete cure."
