MR. BRYAN AND THE PEOPLE.

V. J. Bryan's claim to Oregon demonstrates that he has lost some of his popularity with the Democratic masses in this State and as a result he is just as popular personally as at any previous time in his career. He is not willing to admit that he was mistaken in his advocacy of silver at the sacred ratio of sixteen to one, but claims that the increased production of gold has given as a per capita of about \$50, and this, he insists, is the cause of all our prosperity.

Free silver is not dead—it only sleeps. It will rise again whenever hard times come upon the land. It may not have the same old name, but the idea will be the same. Cheap money appeals to those who have debts to pay, and the cheaper it is, the better it suits them.

THE ULTIMATE REMEDY.

"Because the railroads are owned by the States, and rebates and discriminations therefore are impossible, the country is secure against any such monopolies as the Standard Oil and the Beef Trust."

So says a writer of national reputation after a thorough investigation of the condition of affairs in Australia. The Trusts having conquered the United States, attempted the conquest of Australia. They succeeded, and their success would have continued had not the Australians invoked the remedy of Government ownership.

It appears that Old Boreas has been taking a rise out of the Rose City. Mr. Archie Turnbull, with a soft job and all the surroundings to make a man honest, is not entitled to as much sympathy as the thieves who were probably born that way.

Cure of Lung Trouble. "It is now eleven years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kewanee, N. C. "I had run down in weight to 125 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 170 pounds. Thousands of persons are healed every year. Guaranteed at all druggists. 50c and \$1 Trial bottles free."
