Talk to Ross. Columbia County Bank.

Mist and Weekly Oregonian $1.50 per year.

J. F. Cheldelin of Vernonia was in town this week.

C. L. Ayres of Warren was transacting business here Wednesday.

The four masted schooner Irene arrived here last Wednesday to take a cargo of ties.

Mr. Day says the whole democratic ticket was elected Monday night at the city election.

Mrs. John Spencer, of Brownsville, is visiting with her brother, D. W. Richardson this week.

The old court house building was auctioned off last Tuesday. The building was sold to Mr. W. Muckle for $202. He also bought the wood shed, price $10. Joe Hayburn bought the jail for $65.

Jas. N. Davis, right of way man for the Pacific Railway and Navigation Company, who are building the railroad over in the Nehalem Valley, was interviewing the proprietor of the abstract factory here this week in regard to the making of abstracts for the right of way between Pittsburg and Mist. E. R. Quick is certainly kept busy these days.

Every issue of the Mist contains items sent us by our many friends in different parts of the county and we assure them that we appreciate their kindness in helping us to get out a good readable paper. But we need more of this kind of matter. It not only helps us, but it is a good thing for the community from which they are written.

Deputy game and fish warden Mack was in town last Tuesday attending to business of his office. Mr Mack is well known here and has carried on several cases in court at this place.

The work of putting in the skid road is being pushed at Mr. Bowman's camp near Warren. Jack Black has charge of the camp and he will have the road finished as soon as anyone could.

Wm. Carruthers, head faller for the Columbia Timber Company, died in the hospital at Portland last Friday morning at 2 o'clock, from the effect of injuries received last Wednesday. He was falling a tree, and when the tree started to fall he got off of the springboard between two logs that had been "bucked." The falling tree struck the end of one of the logs bringing it against the other and catching Carruthers between them, smashing his breast and causing internal hemorrhage.

Rev. Sleeth delivered an excellent Easter sermon here last Sunday evening. Quite a number turned out to hear him, but the attendance was not nearly as large as it should have been. Since Rev. Sleeth has been coming to this place the attendance has increased, and doubtless when he manages to get here every Sunday, so that people will know when to expect him, the church will be well filled at every service. And it should be. We have a choir that many a larger town would be glad to boast of, and when anyone goes to the church to hear Rev. Sleeth they are sure to hear something new and interesting.

The Mist and the Weekly Oregonian $1.50 per year.

Jessie Lake, an employe of the Columbia River Door Factory, deserted his wife last Sunday in company with his wife's sister, a 16-year-old girl, walked into Goble and bought tickets on the Northern Pacific for Seattle, leaving his wife and baby in an utterly destitute condition. Lake enjoyed a good reputation in Rainier and his crime is an absolute surprise to everyone. There appears to have been no trouble whatever between Lake and his wife and this renders the incident all the more inexplicable. The sister with whom he eloped was only 16 years old and to all appearance was a girl of the better kind. She had been helping Mrs. Lake during a sickness of the latter and there was not the faintest suspicion on the part of the wife of any wrongdoings. Mrs. Lake is the daughter of Mr. and Mrs. Bevens. The father is terribly incensed over the matter, and could he lay hands on Lake there would be no need to invoke the law for his punishment. He has offered as large a reward as he could afford for the arrest of the culprits and it is believed that they will be arrested. One of Lake's lips was crushed when a child and one of his legs is therefore longer than the other, causing him to limp. Should he be arrested he is likely to receive a term in the penitentiary, as it will be noticed that the girl is under the statutory age of consent.

City election was held here last Monday evening, with the following results; Dr. Edwin Ross, President of the Council; Jack McKie, James Sheldon, W. A. Harris and Martin White, councilmen; E. E. Quick, treasurer; J. Q. Gage, recorder; Frank George, Marshal. This council is apt to have considerable work to do and their first job will be to get the right of way through the block where the old court house now stands. The county court has made an order that as soon as this is done they will put in a fountain there and it is their intention to do some work that will do much to beautify the place.

C. R. White, a young man employed as a section hand at Scappoose, was run over by a freight train Monday afternoon at about five o'clock. His right leg was crushed from hip to foot and his left leg broken in two places. He was taken to St. Vincents Hospital, Portland, where he died. White was a transient man, known to a good many people at Scappoose. His end was a sad one. But a minute before the accident he ran into Watts & Price's store and said to the clerk "Give me a piece o' tobacco. Have'nt had a chew all day. What do you think of that?" and ran out to his work. The next minute his screams were heard by all in the store. White's folks live in San Francisco.

The poverty social last Thursday evening, for the benefit of the Congregational church was largely attended. There was no set program, but everybody amused themselves in their own way. An excellent lunch was served. The proceeds amounted to about fifty dollars.

Columbia County people are invited to patronize the Vienna Cafe, No. 251 Morrison, between Second and Third, kept by Gus Lange, of Scappoose. Best meal in the city.

DEATH OF GRACE DISNEY

Murdered by a Jealous Scrub in Portland

Grace Disney well known in this county, especially in the neighborhood of St. Helens, Houlton, and Warren, was shot to death by Roscoe H. James, son of the superintendent of the State penitentiary, on West Park street between Main and Madison last Saturday night. James immediately afterwards killed himself.

James worked upon the court house at St. Helens, as a plumber, and first met Miss Disney at a dance at Houlton. The statement of the Orezonian that James was "goaded to desperation by her fickleness" is no palliation of his crime, neither is his death any atonement. If he had been punished as he deserved to be for other crimes he would be a live convict instead of a dead murderer today. If every woman must expect death as a result of fickleness the list of crimes will be endless. It will be remembered that James was accused of robbing a convict in the State penitentiary, and, although he was shielded from punishment at the time, he was generally believed to be guilty. His course since that time has proven that he was of a criminal nature, and the community is to be congratulated upon the fact that his own miserable life ended with that of his victim. The men who kill women merely because they can not own them are one of the lowest type of humanity, and it is to be regretted that this sort of crime appears to be on the increase. The sympathy of this community will be with Grace Disney's mother, a widow woman who has had an uphill struggle in the attempt to raise the girl in decency and honor. Miss Disney was a niece of N. F. Baker and Mrs. James Bacon, of Warren, and of Mrs. Urie of Houlton. For some time mother and daughter resided in St. Helens, and Grace appeared to be a hardworking, and well behaved girl. In common with most girls of her age she was fond of pleasure, and not over-particular as to the class of men with whom she associated. To these unfortunate traits her death may be attributed.

RAINIER

Landlord Porter, of the Riverside hotel, went to Oregon City, Monday.

Mrs. H. F. Jackson was a passenger to Portland, Friday.

Dr. Bruce Stuart of Portland was a Rainier visitor over Sunday.

Born—To the wife of John Yandel, of Delena, on March 28, 1907, a daughter.

Mrs. Marcus Bevens and daughter paid a business visit to Portland.

Arthur Barnett of Skamakawa, Wash., was here Sunday and Monday, visiting friends.

Rev. Clyde Stewart, of Salem, arrived in Rainier Monday evening for a visit with his parents.

Mrs. W. D. Plue and children returned to their home in this city, Monday, after spending three weeks visiting her sister, Mrs. Dick, at Vancouver, B. C.

Miss Muriel Hale of Portland is spending a few weeks visiting Mrs. W. E. Newsom of this city.

Rev. Carmichael, pastor of the Congregational Church of this city, preached his farewell sermon on Sunday last. We understand he has not fully decided where he will make his future home, but, wherever it may be he will carry with him the best wishes of the people of Rainier and St. Helens.

A number of the Pythian Sisters of Rainier visited the St. Helens lodge yesterday evening. Of course they had a good time.

MARRIED—At the residence of the bride's parents, Mr. and Mrs. G. T. Propst, of Yacolt, Wash., on Sunday, March 31st, at 3 p. m., Mr. Frank A. Pomeroy, of Rainier, to Miss Laura Propst. Mrs. Pomeroy and daughter Callie, and Miss Helen Pomeroy, of this city, were among the wedding guests. The newly married couple took the train for Seattle, where they will spend their honeymoon.

Dr. Newsome, of Prineville, was a visitor to Rainier last Tuesday. He came to investigate the hospital project, and is willing to subscribe $1,000 in cash, and become one of the stockholders of the institution. He asks for nothing in the way of a subsidy, but would live here and take his pay out of the proceeds of the hospital after it was in operation. It seems to be a much better proposition for our citizens than any that has heretofore been offered, as he evinces his faith in the success of the project by investing his own capital. If there is to be nothing done with the Woodruff proposition it is time to look elsewhere. The summer should not be allowed to pass without the construction of a hospital.

There is considerable sickness in Rainier at present, several suffering from severe cases of la grippe. Among these is Mr. M. Ellis, who has been confined to his bed for two weeks, but is now slightly better.

The steam schooner Washington, Captain Nason, cleared from the Rainier Mill & Lumber Company dock, last Wednesday, with 600,000 feet of lumber for San Francisco. The Washington has been chartered for the season by the Rainier Mill, and will make trips about every sixteen days. The owner and his wife, Mr. and Mrs. Fowler, of Seattle, will make the passage to San Francisco.

As a result of the car shortage the Columbia River Door Factory is carrying about $250,000 worth of manufactured stock. As they are losing interest and paying insurance it can easily be seen that the loss is a very serious one. The factory is now running on cedar goods, which find a ready sale in Portland, but not in the East, as the color does not suit the Eastern builders.

Work is progressing rapidly on the Harrison street roadway. When opened it will afford good locations for several business houses.

By all means, when we build a school house, let it be one that will be a lasting credit to the district.

Mr. Enos Nutt, senior member of the jewelry firm of Nutt Brothers, is confined to his bed with a serious attack of la grippe. At last accounts he was somewhat improved.

A new paper, the Columbian, has made its appearance at Houlton, in this county, under the management of Messrs. Hermann & Mitchell. We trust the paper will prove worthy of its name and of the live community in which it is published.

Dick Roberson is limping around these days as a result of having stepped on a nail.

Mr. C. M. Cole and family of Marshal, Oregon, have moved to Rainier to make their future home.

A COMMMERCIAL CLUB

Houlton and St. Helens Unite for the Common Good.

Mr. Tom Richardson, President of Oregon's Development League, met with the citizens of Houlton and St. Helens at Spence's hall last Wednesday evening for the purpose of assisting them in the formation of an organization whose object shall be to make known the advantages of these communities to the outside world, in order that we may secure our share of the desirable immigration that is coming to Oregon. The meeting was well attended, and an organization affected that should result in much good for the two communities. The officers chosen were: President, I. H. Copeland, of Houlton; vice president, W. A. Harris, of St. Helens; Secretary, M. C. Gray, of St. Helens; treasurer, N. A. Perry, of Houlton. The officers elected were given authority to chose five members of the club, who, with the officers, will comprise the Board of Directors.

Bitten by a Spider

Through blood poisoning caused by a spider bite, John Washington of Bosque vill, Texas, would have lost his leg which became a mass of running sores, had he not been persuaded to try Bucklins Arnica Salve. He writes: "The first application relieved and four boxes healed all the sores." Heals every sore. 25c at all druggists.

THE POULTRY YARD.

In feeding poultry, a small handful of grain to each bird is sufficient. Scatter it around so they will have to hunt for it.

All poultry houses should have a double wall on the north and west sides, with air space between the walls.

The hens like a change of diet and should not be fed day after day on the same kind of food. Fowls will eat nearly everything, but they do better when their tastes are consulted.

At three years of age, Toulouse geese, if well fattened, will frequently weigh from 45 to 55 pounds per pair.

In collecting scraps from the table, avoid tea leaves, lemon peel, fish bones, meat bones (unless crushed) hard, dry crusts of bread, uncooked potato peelings and cabbage stumbs, as indigestible.

To make the floor of a poultry house rat proof tack half-inch netting on the top of the joists and then lay the board floor over that.

Doing Business Again.

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm Treadwell, N. Y. "and when it looked as if there was no hope left, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and am gaining daily." Best tonic medicine on earth. Guaranteed by all druggists. 50c.

Our National Songs.

Most of our national songs were written at some point in our history when events called them forth. The origin of many of our popular airs seems to have been associated with some peculiar circumstances. In the year 1798, when war with France seemed probable, the well known song of "Hail Columbia was written by Joseph Hopkinson, a young lawyer of Philadelphia. Gilbert Fox, a young actor and singer of some note, was about to have a benefit performance in a Philadelphia theatre and he asked Mr. Hopkinson, who was a friend of his, to write a patriotic song for him to sing at the benefit, to the tune of the "President's March" then a popular air, The request was made on Saturday afternoon and the song was to be sung on the following Monday evening. Mr. Hopkinson consented, and the announcement having been made, the theater was packed with people. The song was received with great enthusiasm, Mr. Fox being recalled eight times to sing it. After that it spread everywhere, and became the popular song of the time.

The Price of Health

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Ella Slayton, of Noland, Ark New Life Pills cleanse gently and impart new life and vigor to the system. 25c Satisfaction Guaranteed at all druggists.

We do not know what grave error President Roosevelt may have committed, but the railroad comments are all ominously favorable.

Pneumonia's Deadly Work

had so seriously affected my right lung writes Mrs. Fannie Connor, of Rural Route 1 Georgetown, Texas. that I coughed continuously night and day and the neighbors' prediction—consumption—seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case seemed to be the only real cough cure and restorer of weak sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery the real cure. Guaranteed by all druggists 50c and $1.00. Trial bottle free.

HOME-MADE CATARRH CURE

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following perscription, it is supposed because of its promptness in driving from the blood and system every vestage of catarrhal poison, relieving this foul and dread disease, no matter where located. To prepare the mixture: Get from any good pharmacy one half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless, inexpensive mixture which has a peculiar action upon the eliminative tissues of the Kidneys, assisting them to filter and strain from the blood and system all catarrhal poison, which, if not eradicated, are absorbed by the mucos membrane, and an open sore or catarrh is the result.

Prepare some and try it, as it is the perscription of an eminent catarrh specialist of national reputation.
