Miss Carrie Albersson visited with Dr. and Mrs. Ross over Sunday.

Mr. Lemmon, of Salem, is back in St. Helens again, finishing up his work on the court house.

Mr. and Mrs. McCann of Felida, Wn. were St. Helens visitors Tuesday last.

Miss Lois Clear returned Saturday from a visit in Portland.

Miss Margaret Moss is visiting at the hotel this week.

Miss Maude Watts of Scappoose is visiting with Mr. and Mrs. N. A. Perry at Houlton this week.

Mr. Morris of Portland, was a St. Helens visitor last Sunday.

Rev. Sleeth preached in the Methodist church here last Sunday evening.

Mrs. N. E. Dolman visited with her friends here this week.

Messrs Hewitt and Falger, who were employed by Mr. Krison in putting in the railings and counters in the court house, finished their work and left here last Wednesday morning.

A. Erickson, who works at Connelly's camp at Deer Island, is at the hotel recovering from a badly cut foot.

Our old friend, R. C. Giltner, accompanied by his wife and Loring K. Adams was a St. Helens visitor last Monday.

Bishop Scadding and wife and a friend of theirs from the east are coming down here Saturday to see the scenery.

Work on C. C. Masten's new residence is progressing rapidly, and the building is beginning to show up well from the river. The old church hill is a fine place for a residence, as the view could not be excelled.

Mr. Marshall Churchill, who has for some time been working in a camp at Cathlamet, came up to St. Helens Friday to take a few days rest and to get over the effects of a badly mashed foot. He will be laid up for a couple of weeks.

Mrs. S. A. Downing and Mr. and Mrs. Percy George, of Portland, spent several days the past week visiting Mr. and Mrs. Arthur George.

Mr. Fred Kettel spent a couple of days in Portland this week, having a specialist attend his right eye. Fred was so unfortunate as to have a ball hit him in the eye in a game last year at Woodland, and it still troubles him.

Columbia County people are invited to patronize the Vienna Cafe, No. 251 Morrison, between Second and Third, kept by Gus Lange, of Scappoose. Best meal in the city.

The steam schooner Casco and Nomici took on cargo here this week, being loaded principally by longshoremen from Rainier. The longshoremen have a sort of dog-in-the-manger arrangement, whereby they can come up here from Rainier and work when there isn't any work there, and let those who are not fortunate enough to be a union tie lifter work when they have plenty of work at home.

STRAYED—One three year old heifer; white with brindle spots, marked with two under bits in left ear. Is fresh or will be soon. Finder please notify owner Jas. F. McDonough, Scappoose, Oregon. Will pay reward.

Mr. F. A. Erickson is with us this week looking after the finishing of the last contract he has with Columbia county—that for putting in counters in the new court house. He says his work at Clatskanie is progressing slowly, on account of the car shortage.

CHURCH DEDICATION—The new Free Methodist Church at Houlton was dedicated last Sunday afternoon with appropriate ceremonies by Rev. Alexander Beers, of the Seattle Seminary. The day was perfect and the attendance was as large as the building could accommodate, many being present from St. Helens. The new building was dedicated with one cent of debt over it, and we understand that this is the practice of the Free Methodists. It is a creditable structure and reflects credit upon the community, and upon the energy of Rev. Kreider and his flock and the liberality of the business men of Houlton and St. Helens. The sermon of Rev. Beers is very highly spoken of. The collection netted nearly 100 for the support of the pastor.

FOR SALE—Eggs from pure blood barred Plymouth Rock chickens also pure blood white leghorns \$1.00 per setting or \$1.25 per hundred.

GEO. W. FERRY, Houlton, Oregon.

Old Captain Lewmont, who has long since gone to his rest, would say "I told you so," if he could see the work being done by the Warren Construction Company at their quarry just north of St. Helens. They used to "jolly" the old captain about taking up a pile of rocks when he could have had good bottom or fir timber land but he always said "Somebody will want those rocks some day." And the day has evidently arrived. The rock is worth more than any land in Oregon, and its value is constantly increasing as its quality is becoming better known. It is now, with the exception of salmon fishing, the only wage-paying industry of which St. Helens can boast, and will, when in full blast, employ over a hundred men, paying out something like \$500 per day. It is a little village by itself, with cook house, bunk house, water works, blacksmith shop, etc. Work is progressing upon five rock crushers and the output in crushed rock and Belgian blocks, finds an ever increasing sale in the metropolis. The quarry south of town also has a considerable payroll and a new one will soon be opened close to the railroad track on the Wicks-

DEATH OF KEELER GABBERT—Mr. Keeler Gabbert, who was for some years proprietor of the Oregon Mist, selling out to the present owner, dropped dead of heart disease in Portland Wednesday forenoon. Gabbert was a man of considerable ability, but his craving for liquor ruined his usefulness and broke up his home. His wasted life is far more to be regretted than his death. Mrs. Gabbert, whom all highly esteemed, worked hard to reclaim him, but finding her efforts were of no avail, was compelled to separate from him. It is another case of two lives being made miserable by a man's weakness.

Mr. and Mrs. A. T. Laws spent a couple of days visiting relatives in Hillsboro this week.

COUNCIL MEETING

The city council at its recent meeting transacted considerable important business. Those present were James Dart, Pres; Martin White, A. T. Laws, R. S. Hattan. After the reading of the minutes of their last meeting the old council retired and the new one consisting of J. H. Sheldon, W. A. Doing Business Again

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm, "I tried Dr. R. Y. and when it looked as though I was going to give up, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and am gaining daily." Best tonic medicine on earth. Guaranteed by all druggists.

RAINIER

Mr. Hugh McLaren, who has been visiting his brother, Dr. McLaren, here for several weeks, left for his home in Canada, Monday, accompanied by his sister, Miss Maragret McLaren. Miss McLaren will visit in Canada for several months.

Mr. and Mrs. Robert Bruner and family went to Portland Friday to attend the funeral of Mr. Bruner's father, who died suddenly Thursday evening.

Mr. Robert Halland wife, of Hudson started yesterday for Alberta, Canada, where they expect to make their future home. They sold their place at Hudson to Mr. Cook Gamble, formerly of Aplary.

THE DEBT RAISED—Rev. Fry informs us that every cent of the debt of the M. E. Church of this city, with the exception of the five hundred dollars loaned by the M. E. Church Extension Society, has been paid. When he took charge of the church it was in debt over \$1900, and he has raised \$1400. It is certainly a good piece of work and has been accomplished by quiet and unostentatious endeavor.

FINED FOR FIGHTING.—W. N. Smith and A. Anderson had a pitched battle in front of the depot, on Water street last Monday morning, in the presence of a large crowd of interested spectators. They were giving a very good exhibition of pugilism until Judge Doan put in an appearance and ordered them to quit, when Messrs Brough and Cardiff arrested them, and Constable Sutton arrested them and took them before Judge Doan, who assessed them \$10 each to replenish the city treasury. Hereafter, when they want to settle their personal disputes by a fist fight they will probably select a less public place.

The marriage of Jesse Luke to Miss Bevena, the young woman with whom he had been living, and whom he deserted to elope with her sister, took place at the city jail in Portland on Sunday last. After the ceremony Luke was returned to his cell, where he will remain until his trial, which will take place at the May term of circuit court at St. Helens. Luke will probably plead guilty to a statutory offense and receive as light a penalty as the law permits.

THE EVER GLORIOUS FOURTH—It is only about two months now until the Fourth of July, and if Rainier is to celebrate no time should be lost in organizing for that purpose. The biggest, busiest town between Portland and Astoria can not afford to be backward about coming forward and letting the people of Columbia and Clatsop counties know that it is going to make a noise like an old-time celebration of Independence Day. Let the Eagle Fly, the Speaker Spout, the Band Parade the Streets, and the Reader Read to all who will sit still long enough that glorious platoon of human rights to which ninety millions declare their allegiance.

We have athletes who have won high honors at great universities. Give into their capable hands the management of the program of sports. Hire the Columbia Concert Band, engage the orator, send out the posters. In short, get busy and let's have a to-be-remembered time on Thursday, July 4th, 1907.

DEATH FROM MENINGITIS—The three-year-old son of Mr. and Mrs. J. Slocum, who reside on the H. R. Dibblee farm, two and one half miles from Rainier, died Wednesday morning at 7 o'clock. Dr. McLaren, the attending physician, pronounced the cause of death to have been meningitis, the dread disease which is causing so many fatalities throughout the State. This is the first case that has made its appearance in Columbia County, and has created considerable alarm. It is hoped that we will soon have warm weather, as warmth and sunshine are supposed to be the only things that kill the meningitis germ. The boy's funeral took place yesterday.

COMMERCIAL CLUB SMOKER—The regular monthly meeting of the Rainier Commercial Club occurs on Monday, April 30th, and every member is earnestly requested to attend. It is to be a "smoker" and there will be a short volunteer program of music, talks, etc. We hope, by our next issue, to be able to announce a feature that will be of a great attraction. Don't forget the date, and be sure to attend.

THE BAND BOY'S DANCE—Bills have been printed at the Review office for the grand ball to be given by the Columbia Concert Band at K. P. Hall on Saturday evening, April 27th. This should be made the most successful social event ever held in Rainier. The boys have spent over a thousand dollars for their instruments, and they have been training hard under a very competent instructor, to give Rainier a musical organization second to none in the State. They have not asked the citizens for one cent of voluntary contributions, but are relying entirely upon their merits to secure the patronage to which they are most certainly entitled. The reception committee is composed of Mrs. W. D. Plue, Mrs. W. C. Lee, Mrs. T. E. Hughes, Mrs. N. W. Howard, Mrs. W. H. Rambo, Miss Ruby Jackson, Miss Alice Perry, T. E. Hughes, Fred Troy, N. W. Howard, W. C. Trembley. This is a guarantee as to the character of the dance, and should insure an attendance limited only to the capacity of the hall.

Rainier Hive No 20, Ladies of the Maccabees, held a sale of estates at the Grand Central Hotel last Saturday afternoon and evening. Numbers were drawn and corresponding numbers placed on pies, cakes, etc., so that each person paid the amount represented by his or her number for the corresponding articles. Prices ranged from 5 to 60 cents. The sale realized about \$30, which goes to the Hive treasury.

WARREN NOTES.

Rev. Lew Davies was elected Superintendent of the Sunday school here last Sunday.

Mr. J. Lynch's sale was well attended. Mr. Fullerton is a first class auctioneer.

Mr. Olson is recovering from a long spell of sickness.

Mr. Slavens is able to be out again, thanks to the medical skill of Dr. Cliff.

Rev. Davies preached in the Evangelical church last Sunday evening. Excellent music was furnished by the choir. The music is led by cornet played by Mr. Frank Hoyt. Next Sunday Rev. Davies will preach in the morning at Yankton and in the evening at the Evangelical church. Song service at 7:30 preaching at 8. Subject "The brotherhood of man." All are invited to attend. Good music, good singing. Members of secret orders, especially invited.

Alex. Bonner was buried at Scappoose last Sunday. Mr. Bonner was born in San Bernato county, Cal., Oct 16 1873. He lived in Scappoose for about 12 years. On April 8th he was hurt in a logging camp near Aberdeen, Wn., where he was foreman. He died at Aberdeen on April 12. He leaves two brothers and one sister and a host of friends to mourn their loss. Mr. Bonner was a member in good standing of the Odd Fellows, Rebekah, and Redmen. Through some mistake standing the Odd Fellows lodge at St. Helens was not notified of the funeral. Rev. Lew Davies conducted the services from the Congregational church at Scappoose. Rev. Davies was assisted in the service by Rev. Cook, the Congregational pastor. The choir's services were greatly appreciated. There was a large attendance.

CARD OF THANKS

The brothers and sisters wish to thank their friends who did all they could to cheer them in their sorrow and assisted them in the burial of their beloved brother Alexander A. Bonner. May they be spared such sorrow as I am as possible.

Mrs. M. J. Tompkins, William E. Bonner, Mrs. C. E. Allen, Calvin M. Bonner, David J. Bonner, Myria E. Bonner, C. T. Bonner.

I have money to loan on approved real estate security.

MISS HAPPENINGS

Edwin North went to Buxton Saturday with a few shingles to try the road and do some trading.

The cherry and strawberry buds are just beginning to burst and there is every sign of a glorious spring.

Everybody is busy plowing and sowing grain this week. The acreage will be largely increased and another threshing machine will be badly needed in the Nehalem Valley.

Frank and Charles Malosten are putting in a sawmill near the Adams bridge below Vernonia. Emmitt Quick and another man with six horses applied for the mill and engine over the mountains from Buxton.

A telephone company has been organized and a line is now under construction from Vernonia to Kit with a branch line to every house along the river. The posts are all set and the company has been instructed to buy wire and instruments. The line will be completed in the near future.

On the 3rd of April a railroad survey was made from the tunnel 8 miles above Kit on the Tillamook line, down the Nehalem river connecting with the Beaver creek survey on Lou Siegert's place. The surveyors assured us that the locators would be along in a few days. As usual there is much speculation in the air, but we will have to wait developments.

Miss Flicie Gilbreath of Taalatin is scheduled to begin our school on Monday, April 22.

MIX THIS AT HOME

The following simple home-made mixture is said to readily relieve and overcome any form of Rheumatism by forcing the kidneys to filter from the blood and system all the uric acid and poisonous waste matter, relieving at once such symptoms as backache, weak kidneys and bladder and blood diseases. Try it, as it doesn't cost much to make and is said to be absolutely harmless to the stomach.

Get the following harmless ingredients from any good pharmacy: Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Symp Sarsaparilla, three ounces. Mix by shaking well in a bottle, and take a teaspoonful after each meal and again at bed time.

This simple mixture is said to give prompt relief and there are very few cases of Rheumatism and Kidney troubles it will fail to cure permanently. These are all harmless, every-day drugs and your druggist should keep them in the prescription department; if not, have him order them from the wholesale drug houses for you, rather than fail to use this, if you are afflicted.
