

"We Retail Direct to Consumers at Wholesale Prices, by Catalogue."

The above remarkable statement is handed out to the people of Columbia County and elsewhere by the so-called wholesale supply houses of Portland who make a practice of shipping goods direct to consumers in this locality.

At the last convention of the Pacific Coast "Ad" men, a few weeks ago, the slogan adopted was,

State Facts or Don't Advertise

We have no hesitation in stating to the public that the opening statement above is

NOT THE TRUTH!!

In any sense of the word and we can and will prove it by any catalogue and price list issued by the above mentioned "wholesale supply houses,"

We Advertise That We Will Meet Their Prices!!

Call and See If Our Advertisement States the Facts.
