

CONTRIBUTED

Antagonistic to the verge of bitterness, remnants of the old machine which once dominated Oregon politics have taken up the fight for the defeat of Statement No. 1 and all who favor that method.

In Portland and other large cities of the State, the machine crowd is centering its fight upon H. M. Cake, candidate for the Republican nomination for United States Senator. Mr. Cake is a firm believer in the popular election of United States Senators and because of his belief in the people has incurred the enmity of the old machine politicians. Those who are close to the situation, however, believe that the machine fight against Mr. Cake is the best thing that could happen for his campaign.

The people of Oregon expressed by their adoption of the primary law and Statement No. 1, what they thought of machine methods. The old system had brought shame and disgrace upon the State—had made the city of Salem almost a Gemorrah in the way of political wickedness. Periodicals and newspapers of national circulation pointed to our state as one of sudden political corruption, of disgraceful scandals.

It is in the hope of reviving this old method by the defeat of Statement No. 1 and of Mr. Cake that the machine politicians have started such a bitter crusade against this new law. Indeed it is their only hope. Under the present system, they are without a job. It is impossible for a dictator to sit in his office and say what shall and what shall not be done by the people of Oregon. No longer is a saturnalia of bribery and corruption possible in Salem.

Evidence of this hostility on the part of the "system" have been apparent in various towns where Mr. Cake has spoken during his present itinerary. Large crowds have flocked to hear him, but conspicuous by their absence, were the old-time leaders. And in this connection it is worth mentioning that most of these antagonistic politicians are either office holders or have some claim upon those who are at present in office.

The people who are rallying to Mr. Cake's standard are those Republicans who are intensely loyal to their party but who resent such dictatorial methods of the old machine was wont to use.

It is a foregone conclusion that Statement No. 1 will prevail in Oregon at the coming election. It is also a foregone conclusion that Mr. Cake, the only real active supporter of this measure—will be elected if the Republican voters of this State do their duty and there is no room for doubt but that they will perform that duty.

"One Touch of Nature Makes the Whole World Kin"

When a rooster finds a nice fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm hearted wish of the writer to be of use to some one else. This remedy is for sale by A. Deming, druggist.

Japan has purchased 3000 tons of rifle barrels in the United States. After looking over the entire field foreign buyers often spend their money here, not from sentiment, but as a matter of business.

KIST

Chas. Armstrong took pork to Buxton last week and got 7 cents for it.

The second non-partisan meeting which was held at Vernonia March 21 was well attended and the discussions were spirited and interesting.

A new telephone company has organized on Rock Creek with nine members and a line will soon be started up toward the Kenney postoffice. I did not learn how far up the creek it would run.

John Dallas started to Portland Tuesday morning on business connected with an engine, and shingle mill.

If the scientific world can produce a preventative or antidote for cold and la grippe it will do humanity a great service.

Mr. John McPherson was in the valley again last week. He bought timber from Mr. Weed, Frank Wilson and others.

Mr. D. W. Marsh, son of Prof. Marsh, of Forest Grove, and Lincoln Geiger, of Cornelius, were in the Valley the first of this week looking after land. Mr. Geiger thinks the Nehalem will settle up very fast from now on.

It is said that Wm. Lytle will bring in a colony of about thirty people to buy land on the Nehalem river.

Death Was on His Heels

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs, colds and lung disease in all the world." Sold under guarantee at Houlton, Warren, Seapoose, Deer Island dealers. 50c and \$1.00. Trial bottle free.

Crop news is favorable, but farmers are short of help. The unemployed who are able to work at farming will find it healthful vocation, with fair pay, and the best opportunities to get on an independent footing.

He Got What He Needed

"Nine years ago it looked as if my time had come," says Mr. C. Farthing, of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold under guarantee by Houlton, Warren, Seapoose, and Deer Island dealers. 50c.

Within the last five months small investors in dividend-paying railroad stocks are said to have increased by 100,000. The general public is evidently not afraid of recent railroad legislation or 2 cent rate.

A Twenty-year Sentence

"I have just completed a twenty year health sentence, imposed by Bucklin's Arnica Salve, which cured me of bleeding piles just twenty years ago," writes O. S. Wolver, LeRaysville, N. Y. Bucklin's Arnica Salve heals the worst sores, boils, burns, wounds and cuts in the shortest time. 25c at Houlton, Warren, Seapoose, and Deer Island dealers.

Rheumatic Pains Relieved

Mr. Thomas Stenton, postmaster of Pontypool, Ont., writes: "For the past eight years I suffered from rheumatic pains, and during that time I used many different liniments and remedies for the cure of rheumatism. OUR PORTLAND LETTER

(Special Correspondence)
PORTLAND, OR., March 30, 1908.
The Oregon advertising fever is both contagious and infectious, and the remarkable part of the present epidemic is that those towns which have heretofore been normal now have the highest temperature.

Hon. Paul Morton, formerly Secretary of the Navy in President Roosevelt's cabinet, but now Secretary of the Equitable Life Assurance Society, is being entertained in Portland today. Mr. Morton is a Western man and is making a tour of the Pacific Coast with a view to investments.

People from all parts of Oregon should make it a point while in Portland to visit the Forestry Building and familiarize themselves with the timber wealth of this State. That building is now in charge of Mr. M. W. Gorman as superintendent, and he thoroughly knows the forests of the northwest and the value of every tree. Mr. C. C. Michener, Field Secretary of the Y. M. C. A. of America, recently visited the Forestry Building and remarked that it was the most satisfying and interesting building on the continent and that his hour with Mr. Gorman was the most instructive he had spent in many years.

McMinnville heads the list for a Yamhill county advertising fund of \$10,000 with a \$4,000 subscription. M. O. Lowneside is president of the Yamhill county Development League and has the backing of the people of his county. That famous old county intends to be heard from.

Educators throughout the United States are asking for pictures illustrating the industrial, agricultural and horticultural progress of Oregon, and they are being supplied.

The Portland Commercial Club's correspondence includes a great many inquiries from people who want to work on farms. These inquiries and the facts concerning them are being sent to all of the commercial bodies composing the Oregon Development League.

The Corvallis Commercial Club, which claims with perfect confidence that its quarter are the handsomest of any western city or town of 5,000 population, will have a house warming on April 19th. Delegates will be present from many points in Oregon and the occasion will be an interesting one.

Kalamath Falls and Astoria are the latest Oregon cities that have determined to have floats in the great parade "The Spirit of the Golden West," which takes place in Portland on Tuesday evening, June 2nd, of "Rose Festival" week.

There is nothing better than Kofal for dyspepsia, indigestion, sour stomach, and belching of gas and nervous headache. It digests what you eat. Sold by A. J. Deming and Seapoose Drug Co.
