Appetite.

Investor—What's your idea in wanting to buy that trolley line? It doesn't compete with your system. It's merely a feeder.

Railway Magnate—Well, don't you suppose we want to do our own feeding?

Nothing More.

"They've come to blows, haven't they?" asked the undersized reporter, who was trying to force his way to the center of the crowd.

"Yes," answered the tall man, who could see the two disturbers of the peace. "First one of 'em blows, an' then the other, but that's all. Ther' hain't been a lick struck yit."—Chicago Tribune.

Another Convulsion Coming.

"That well in Wisconsin," remarked Mr. Quigley, "is roaring again, they say."

Mrs. Quigley turned pale.

"Maybe it means this time," she gasped, "that our cook is going to leave us! I saw her overhauling her trunk this morning!"—Chicago Tribune.

Consoling!

"Poor John! He was a kind and forbearing husband," sobbed the widow on her return from the funeral.

"Yes," said a sympathizing neighbor; "but it's all for the best. You must try and comfort yourself, my dear, with the thought that your husband is at peace at last."—Sketchy Bits.

S.S.S. CURES MALARIA

Malaria is due to impurities and poisons in the blood. Instead of being rich, strong and healthy, the circulation has become infected with germs of disease which destroy the rich, red corpuscles that furnish nourishment and strength to the body, and reduced this vital fluid to such a weak, watery condition that it is no longer able to keep the system in health, or ward off the countless diseases and disorders that assail it. The loss of these red corpuscles takes the color and glow of health from the cheek, and we see pale, sallow faces and washed out, chalky complexions among the first symptoms of Malaria. But Malaria is a general systemic disease, and as the blood becomes more heavily loaded with its germs we have more serious and complicated symptoms; the impure blood having its effect on all parts of the body. The appetite fails, digestion is weakened, chills and slight fever are frequent, and the sufferer loses energy and ambition because of a constant tired-out and "no account" feeling. The lack of necessary nourishment and healthful qualities in the blood causes boils and abscesses, skin affections, and in some cases sores and ulcers to break out, and sometimes the patient is prostrated with a spell of malarial fever which may leave his health permanently impaired. To cure Malaria both a blood purifier and tonic are necessary, in order to remove the cause and at the same time build up the system from its weakened and run-down condition. S. S. S. is the medicine best fitted for this work. It is the most perfect of all blood purifiers, and being purely vegetable ingredients of which it is composed make it the greatest and safest of all tonics. S. S. S. goes down into the circulation and removes every trace of impurity or poison, and at the same time gives to the blood the health-sustaining qualities it needs. It cures Malaria thoroughly and permanently because it removes the germs and poisons which produce the disease, and while doing this tones up and strengthens every part of the system. When S. S. S. has cleansed the blood the symptoms pass away, the healthy color returns to the complexion, the old tired, depressed feeling is gone, and the entire health is renewed. THE SWIFT SPECIFIC CO., ATLANTA, GA.

During 1900 I was running a farm on the Mississippi river and became so impregnated with Malaria that for a year I was almost a physical wreck. I tried a number of medicines recommended as blood purifiers, chill cures, and Malaria eradicators, but nothing did me any good until I began to use S. S. S. The result was that after taking it for awhile I was as well and strong as I ever was. I have never had a chill since nor the slightest symptom of Malaria. I hope others will be benefited by my experience, and with that end in view I give this testimonial, knowing that S. S. S. is the best remedy for Malaria.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
