"A Shoe Store for Shoes"

Is the dictum of the experienced. It is a matter of shoe history that the department stores which try to sell shoes of the grades we sell do not make a success of it. The reason is that a shoe "department" is fundamentally lacking in the element of SERVICE that must go with the sale of fine shoes to make them really worth the price asked.

Ben W. Reed, secretary of the Rainier Mill & Lumber Company, Rainier, who has been in Oakland for several months was visiting the plant at Rainier for a couple of weeks. He returned to Oakland early in the month. Mr. Reed says the plant will be placed in operation just as soon as conditions will warrant.

Mr. John Riha, of Vining, Ia., says, "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold." Sold by A. J. Deming and Scappoose Drug Co.

A. H. Tarbell, of the Warren Lumber Company, Warren, Ore., returned late in April from his old home in Maine, where he had spent the winter, accompanied by his family. Mr. Tarbell expects soon to rebuild his sawmill which was destroyed by fire last fall.

There is no doubt that the president could earn his living writing for the magazines after leaving office. One offer of \$100,000 for a series of articles on foreign travel has already been rejected, it appears. If Mr. Roosevelt were to take to lecturing, there would be something doing.

The Beugness Lumber Company has installed a Tolson & Bowler saw edger, California No. 13 plane and a Perkins double-block shingle machine. The plant is now cutting 25,000 feet of lumber per day.

It Reached the Spot

Mr. E. Humphry, who owns a large general store at Omega, O., and is president of the Adams county Telephone Co., as well as of the Home Telephone Co., of Pike County O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only cures the cough; it heals the sore spots and the weak spots in throat, lungs and chest. Sold by Houlton, Warren, Scappoose and Deer Island dealers. 50c. and \$1.00. Trial bottle free.

Pennsylvania's governor is able to say in Washington that his State has acquired 1,000,000 acres for reserves and is rapidly planting trees where they were wastefully slashed off. The way to begin forestry is to begin.

The World's Best Climate

is not entirely free from disease, on the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitter, the great alternative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia. Sold under guarantee by Houlton, Warren, Deer Island and Scappoose dealers. Price 50c.

Thirty nine years ago the first trans-continental railroad was completed. What the Panama canal and other American improvements will be thirty nine years hence must be left to the daring imagination.

A Californian's Luck

"The luckiest day of my life was when I bought a box of Bucklin's Arnica Salve," writes Charles F. Budahn, of Tracy, Cal. "Two 25c. boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee by Scappoose, Houlton, Warren and Deer Island dealers.

Kodol completely digests all classes of food. It will get right at the trouble and do the very work itself for the stomach. It is pleasant to take. Sold by A. J. Deming and Scappoose Drug Co.

There are places in Arizona where the summer temperature rises daily to over 100 in the shade for weeks. If this region is to be chosen for government exiles the czar will join with pride to Siberia.

When your food seems to nauseate take Kodol. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verifiable after you have used Kodol for a few weeks. It is sold here by A. J. Deming and Scappoose Drug Co.

One of the probable questions after November will be whether the Democratic party shall drop Bryan, or Bryan drop the party.

So far the aeroplanes are shy about making their trial trips in the populous parts of the country. As long as there is any doubt of their complete success pedestrians approve this arrangement.
