A Shoe Store for Shoes

the dictum of the experienced. It is a matter of history that the department stores which try to sell shoes of the grades we sell do not make a success of it. The reason is that a shoe "department" is fundamentally lacking in the element of service that must go with the sale of fine shoes to make them really worth the price asked.

"THE SCHOOL OF QUALITY" Tenth and Morrison, Portland, Oregon A. P. Armstrong, LL.B., Principal We occupy two floors 65 by 100 feet, have a \$20,000 equipment, employ a large faculty, give individual instruction, receive more calls for office help than we can meet. Our school admittedly leads all others in quality of instruction. It pays to attend such an institution. Said a Business Man: "Keep hammering away everlastingly on thorough work. It will win out in the end." Said an Educator: "The quality of instruction given in your school makes it the standard of its kind in the Northwest." Open all the year. Students admitted at any time. Catalogue free. References: Any bank, any newspaper, any business man in Portland.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00

In 1902 I had a very severe attack of diarrhoea," says R. N. Fairer of Cat Island, La. "For several weeks I was unable to do anything." On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by A. J. Deming, druggist.

A man in Chicago claims to have been dead sixty-nine hours and describes what he says he saw in Hades. This is the first instance in which the individual concerned in an incident of this kind failed to gain admission to any place but heaven.

Boy's Life saved

My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of the gave him up. We then gave him Chamberlain's Cholera and Diarrhoea Remedy which cured him and believe that saved his life.—WILLIAM H. STROLLINO, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by A. J. Deming druggist.

Taft clubs are reported to be multiplying in the western part of Tennessee, where Republicans have hitherto been scarce. Instead of getting the Middle West Mr. Bryan is likely to lose a slice in the Middle South.

Over Thirty-Five Years

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them greater profit. It can always be depended upon, even in the most dangerous cases. For sale by A. J. Deming, druggist.

And it was further ordered and decreed by said court that the 2nd block 6 of Deer Island, Columbia County, Oregon, be sold by the sheriff of said county as under execution, and the proceeds of such sale after paying the costs, attorneys' attorney's fees, and expenses thereon shall be applied upon the judgment, and if there be any surplus the same shall be paid to Elmer L. Now, therefore, in compliance with the commands of said writ, I will on Saturday, the 13th day of August 1908, at the hour of 1 o'clock and 30 minutes in the afternoon of said day, at the courthouse of the County Court House in St. Helens, Columbia County, Oregon, sell all the right, title and interest which said defendant C. E. Olson had at the date of said mortgage, to-wit: April 25th, 1905, or which he now has in and to the above described premises above described, and on the conditions above stated, at public auction, to the highest bidder, for cash in hand, and apply the proceeds as above stated and to accruing costs.
