The ball game Sunday was rather too one- sided to be interesting, the score being 20 for St. Helens to 0 for the Rainier boys, Cass Campbell pitched for St. Helens the first part of the game, but as the Rainier players claimed they could do better against a local pitcher the home boys acaomodated them by putting Jake Watters in the box. They did not, however, seem to connect much better with Watters than they had with Campell. Rainier should send its best men to St. Helens if it wants to win, and then there will be no walkover. If Rainier's team, on account of prior engagement, cannot come here, why not arrange for a double header some Sauday on the Rainier grounds. Our boys will not feel sore if Rainier wins, but will do their best to prevent such a result.
