HELVY 6; RAINIER 3—It was a happy crowd that came back from the last Sunday. Before the ball of the streets of Rainier had been filled with hand bills announcing the fact that the St. Helens Champions were to play the Rainier Leaguers, and a good crowd turned out to watch the leaguers of the county seat team, and great their annoyance and wrath at the result. St. Helens scored first, then Rainier.

Next the score was 2 to 1 in St. Helens' favor. Then 3 to 2 in favor of the home team. And so it came up to the first of the ninth inning. The Rainier were jubilant, the visitors feeling blue. Two St. Helens batters got out, there were two outs and two on the man at the bat, Mr. Austin, was up. Then it happened. A clean over short stop brought in the run and the score, and then Rainier up in the air and before they came St. Helens had scored four runs.

Well, for St. Helens, and Hagen, for Rainier, pitched great ball and had fair play all through the game.

A Fine Exhibit of Products at the Yankton Fair

The first fair in the history of Columbia was held at Yankton last Wednesday, and, in point of attendance and excellence of exhibits, was far ahead of all expectations. As a starter for Columbia County's annual fair it was all that could be desired, and the patrons of Mrs. Handry of Yankton Grange are entitled to high praise for their good work. Take a trip through the northern part of St. Helens and you will be surprised at the number of houses under construction. The knacker's hammer has been laid aside and the builder's hammer is ringing everywhere. The Mist does not wish to appear too sanguine, but it certainly looks as if the old town had aroused from its slumbers and intended to lead the procession.
