nfluence of the zodiacal sign Scorpio
rustacean. Persons born in Scor-
re lobsters, and are mostly actors
base ball players. They have re-
able foresight. Among other
s, they can tell when the hired girl
is going to quit, and always give her notice first.

The armoured football player will cavort in padded pants and butt to beat a billy goat while frenzied thousands dance. He'll cut the foe with glass lid in his Paderewski mop, and when they pile on sacks he'll do a war dance on the top. The college men will then get up and yell like Kingdom Come, the college girls will swallow six or seven gobs of gum, the autumn sun will be obscured by colors, horns and hats, the catapulting end will cave the other fellow's slats, the giant centers will collide like two excursion trains, the guards will paw the earth and scramble one another's brains; and when the ambulance drives up, with great vociferation the howling mob will give three cheers for higher education.

The first frost ripened hickory nuts
Will rattle on the ground,
And local option will put on
The blower all around.
The hunter's moon will sail the sky,
The bee will duck the clover,
And the other Wright in France will
knock
The Eiffel Tower over.

The flower for October is the hop. This signifies that the fates are against prohibition in one month of the year, any way.

Our gad-aboutin fleet will throw a scare into Japan, and shell the Chinese coast until they tell the age of Ann; and old John Rockafeller will observe October nine, with a big barn dance at Forest Hill and unfermented wine, the third month since he'd had to make a payment on that fine

And then November 3rd will come,
When all of us shall vote,
And one of these two Bills will have
To be the Billy goat

Where Bullets Flew

David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg says: "The good Electric Bitters have done is worth more than five hundred dollars to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters and they cured me. I now take them as a tonic and they keep me strong and well." 50c at Houlton, Warren, Scappoose and Deer Island dealers.

Would Mortgage the Farm

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c at Houlton, Warren, Scappoose and Deer Island dealers.
