Don't forget to bring your basket on the Fifth to celebrate the Fourth at Oasis Park. There is going to be a big crowd, and food will undoubtedly be scarce. Barbecued beef will be provided as long as it holds out, but with the great attendance expected it is just possible there may not be enough for all.

Restaurant for sale at a bargain. Inquire of the Columbia County Abstract and Trust Company, St. Helens.

AT A BARGAIN—Two lots in the East Side addition to Scappoose. Lots 50 x 100 feet each. About three blocks from postoffice. Inquire of J. E. Beeler, Warren, Oregon.

FOR FRUIT INSPECTOR—The Mist understands that Mr. J. U. Barker will accept the office of county fruit inspector if it is tendered him by the County Court, and that he will provide himself with the necessary apparatus for spraying trees. The office is a very important one for the fruit interests of this county, which are in their infancy, and we have no doubt Mr. Barker would administer it vigorously and impartially, without fear or favor, and as he would do the work himself where owners of a few fruit trees can not afford to, or are not competent, there would be no further excuse for those who permit their trees to become diseased, or pest infested.

Horse, hack and harness for sale. Horse weighs 1,000 pounds 11 years old; single or double hack in good condition. Good heavy harness, very little worn. Price \$115. Apply to H. W. Code, St. Helens.

We wish to announce to our friends and patrons that we carry a full line of Brown and Hamilton celebrated American Gentleman and American lady shoes and would be pleased to show them to you. The superiority of this, like all American gentlemen shoes, is not only in appearance, it covers every detail, inside and out.

SUES FOR DIVORCE—John Brain, of Rainier, has filed suit for a divorce from his wife, Amanda Rose Brain, alleging criminal conduct on her part. Mrs. Brain has filed a cross complaint, making similar charges and asking for one third of her husband's property, which she estimates at \$500, for \$50 per month alimony, and for \$200 as counsel's fees. L. S. Thomas of Rainier for Brain and Kavanaugh and McDewitt, of Portland, for Mrs. Brain. The charges against Brain include cruel and inhuman conduct and parsimony, alleging that he utterly failed to provide for her, and that she had to purchase her own clothing and even pay for the food for the house out of her private means. They were married in this city on the 29th day of February 1908. Brain is a well known fish buyer of Rainier where he has many friends who will require proof before believing the hideous charges made against him.

Two Farm Wagons, a Mowing Machine and a Hay Rake for sale. Inquire of Jos Holaday, St. Helens. 6-4

ATTENTION GRANGERS—We have received from Prof. James Withycombe, director of the Oregon Experiment Station at the State Agricultural College, an acceptance of the invitation extended him to be present and address the next meeting of Columbia County Pomona. The State Lecturer has also been invited, and those who fail to attend will miss the opportunity of listening to the best informed man in the State on subjects of interest to farmers and others. The place of meeting has not yet been determined upon, but unless some of the subordinate granges take action soon and invite the Pomona to meet with them, the Executive Committee will name the place as agreed at the last meeting of Pomona. No farmer can afford to miss this meeting, and it will be a great factor in the upbuilding of any local grange where it is held.

This is a snap. If you want a good place at about half its value look this up.

Squeeze Ethridge won in his wrestling match at Acme Hall last Monday night with L. W. Grant, alias Jack Mallory. Under the condition of the match Grant was to throw Squeeze three times in one hour, and when the fact that he weighed 200 pounds as compared with the 170 of Ethridge, is considered, it looks as though he should have done it. Aside from that Squeeze is not in training, while Grant has been doing nothing but wrestle. Grant threw Ethridge in 23½ minutes the first time, and secured the second fall in 22½ minutes but was unable to secure the third one. The crowd was large and enthusiastic, and everyone voted the match a fine exhibition.

The Willamettes of Portland, took the local ball team into camp last Sunday by a score of 6 to 2, but it was no disgrace to be beat by such a team. It was the same team that has been playing all summer for the Multnomah Club, and has defeated all the colleges in the State. The visitors started the game by getting a score in the first inning and shutting the locals out. In the second inning the boys scored their two runs on errors by the Portland team. Every score made by either side during the game was on errors. Brakke, the St. Helens pitcher, held the visitors down to a very few hits, while the work of the Willamettes battery, De Neffe and Stott was the feature of the game. Next Sunday, July 5th the boys play the O. K. team of Portland, and on Monday, July 5th, they once more tang'e up with our ancient enemy, the Rainier aggregation.
