It so why was it not from road bed and the good ones to be piled side of the road, those of no use for road purposes, with logs, stumps and roots to be burned. Why was all the old puncheon left in the road bed and covered candidates will winat the primary, up where the grade permitted? Why was the old culvert and logs left in fill when contract said that they must be removed and replaced by an everlasting tin culvert? Why was the 30.5 foot cut not made according to specifications and votes so that Bowerman will be only a little over half of the dirt removed? Why was the last 100 feet only half completed? Has the court in this work followed the law as provided in Secs. 36, 37, 38 and 75, Laws of 1903? An early
