

WELLINGTON'S RE-MODELLING SALE

Another addition has been added to our store and we want to close out as much of our stock as possible before moving into it, so now is the time for you to buy. Everybody knows the Wellington line is the best that money can buy, and an investigation of the prices that are now on will convince you that we sell cheaper than anyone you ever traded with.

DRY GOODS

Our fall line is now in and on display. Positively the biggest bargains that were ever shown in Columbia County. All the newest Dress Goods, in the latest colors.

MEN'S CLOTHING

This is another Department that we have been devoting considerable time and money to improve. No city store has a better line as far as quality is concerned.

GROCERIES

Fancy and Staple, at the lowest market price. Everything fresh and clean. The celebrated Blue and Red Ribbon Preferred Stock line of Canned Goods. The best in the world.

Furniture, Hardware, Cigars and Tobacco, Fruit, Nuts

And in fact everything that is carried in a first-class General Merchandise Store. If you want some article which we do not happen to have in stock we will get it immediately, so remember that this is the place to go, no matter what your needs are in the merchandise line.
