People of Rainier have a kick coming to them over the fact that the division of the precinct and naming the west half "Moek's" makes a bad showing for the city. THE SUNDAY SCHOOL CONCERT—The concert given for the benefit of the Sunday School at the Methodist church last Sunday evening was well attended and the contribution realized about \$15. Those who failed to attend missed a very enjoyable evening, and a demonstration of the fact that St. Helens is still in debt, we suggest that a school entertainment at Morgus' Hall would probably clear up all indebtedness and leave a surplus in the treasury. The profit is due to the managers and to all who participated in the concert.

VERNONIA FLASHES

The recent rains were very acceptable in this section.

The Webster thresher has been pulled under the sheds for this season. The chopper, we suppose, will be running full blast ere long.

School here opened on Monday, the 14th inst. S. C. Serrill, who taught in the Nicholas school last winter, is the teacher.

Mrs. Emmons is teaching the Nickerson school. Several finished the eighth grade under her tuition at Mist, Ore., last spring.

Ruby Denslow is visiting friends at Senyue, Wn., in the Yakima country.

Miss Walker, who taught the Pleasant school last winter, and who spent the summer back East in Grand Rapids, Mich., is visiting the rod again this year. There were several graduates from eighth grade in that school last spring.

The Billstein Hotel has been crowded lately. If the other hotels have been doing good business Vernonia is strictly on the map.

We wonder why Tom Mc. is looking so sad? His wife left him, but—the's coming back.

As a preacher drink—drinks water—a well is being dug in the yard near Rev. Mr. Maurer's residence.

Misses Gertrude and Ethel Weid, who have been spending their summer vacation at home, left on last Tuesday, Miss Ethel going to Newberg to teach, and Miss Gertrude to Salem, to attend the Willamette University.

Miss Eda Tecker, a pupil at the Tucker school, where Miss H. H. Hall is teaching, graduated from the eighth grade lately.

Vernonia, Vernonia for me. Where the girls and the boys are free As the play of Nebelun's waves; Where they know not the view of the city within Nor its myriad crimes, nor its places of sin— Vernonia, Vernonia for me.

Vernonia, Vernonia for me. Where the plaid waters of Rock creek you see: Where lovers with cupid are wont to stroll, With the yellow and green and the moon's soft gleam; With fond anticipation counting the days— Vernonia, Vernonia for me.

Vernonia, Vernonia for me. Where dwelleth the farmer in gloe, Where sighs fare back his blithest song: Where you look the trout and the salmon you gig, Where you come to town in the old-fashioned rig— Vernonia, Vernonia for me.

Vernonia, Vernonia for me. Where the village preacher and the village teacher, With knowledge and wisdom must furnish each creature; The preacher the words of the gospel may use, While the teacher an old-time hazel must choose— Vernonia, Vernonia for me.

To School Teachers.

Orders for report cards should be sent in immediately. All cards furnished will be of a style approved by the County School Superintendent. If you have any of yet secured cards for this term write The Mist, St. Helens, Ore., today.
