

# CORPORATION TAX IS HELD CONSTITUTIONAL

## Supreme Court Sustains Government on All Points Raised.

Washington.—In an unanimous opinion, the Supreme Court of the United States held that the corporation tax provisions of the Payne-Aldrich tariff act were constitutional. The opinion was announced by Justice Day, appointed to the Supreme Court from Ohio in 1903. It was an elaborate treatment of the subject. The justice first determined that the tax was just what it claimed to be in the act, namely, an excise tax on the doing of corporate business, and not a direct tax on the ownership of property. With that point decided, the justice took up the objections urged against the tax as an excise. Practically all of the more than \$27,000,000 assessed for the fiscal year ending June 30, 1910, on corporations in the United States has been paid into the treasury. The exact amount received to February 1, 1911, the latest date for which precise figures are available, was \$27,108,192.

**Bankers May Be Pardoned.**  
Washington.—Well authenticated reports emanating from the office of Attorney-General Wickersham that pardons have been issued for John R. Walsh, who was sentenced to five years in the Federal prison at Leavenworth, Kans., and Charles W. Mora, now serving a 15-year sentence in the Federal prison at Atlanta, Ga., both for the misuse of funds entrusted to their banks.

## TO OPPOSE FULL CREW BILL

**Railroads Assert Burden Useless, but Employees Favor It.**  
Seattle, Wash.—Representatives of all railroads operating in Washington met here to consider plans for opposing the "full crew" bill passed by the last legislature. The bill provides that all passenger trains must be supplied with crews of five men, all freight trains of more than 200 cars with crews of six men and light engines with conductors. The railroads assert that if the bill becomes a law it will inflict a heavy burden on them without increasing the efficiency of the service or protecting the public more than at present.

**Woodrow Wilson Dines Bryan.**  
New York.—There was a flutter in high political circles when it was announced that William J. Bryan was to be the guest of Governor Woodrow Wilson, of New Jersey, at Princeton. Colonel Bryan delivered an address to the Princeton Theological seminary Sunday, and as soon as the New Jersey governor heard of it he invited the Nebraskan to take dinner with him, and the invitation was promptly accepted.

**Legislature May Meet Again.**  
Tacoma.—In an endeavor to save the work which the state has done on its roads since the good roads' movement was instituted four years ago, the State Good Roads' Association is to make an appeal to Governor Hay to call the legislature in special session within 30 days to consider road legislation and make appropriations needed at least to keep the roads already built in repair.

## ALLIANCE PLEAS BRITONS

**Prospect of Perpetual Peace With Uncle Sam Interests.**  
London.—Edward Grey's epoch-making speech as every Liberal favoring a permanent peace treaty with the United States calls it, has aroused enormous interest throughout Europe and the absorbing topic in the parliamentary lobbies. By universal consent, it is the most important made in Parliament in years. Some Conservative morning papers, taking the ground that the Foreign Secretary's ideal is almost impossible of attainment, comment somewhat coldly and point to the difficulty of the path. The Liberal organs, on the other hand, hail it with unbounded enthusiasm.

**Direct Legislation Wins.**  
Sacramento.—The bill providing for the initiative, referendum and recall for all municipalities received Governor Johnson's signature and becomes a law at the expiration of sixty days.

**Bulb Trust Dissolving.**  
Washington.—Intimations have been received that the so-called electrical pools, said to be part of the "electrical trust" against which the government recently filed a case, are breaking up.

## COUNTY COURT

Saturday, March 11, 1911, 4th Judicial Day: Court came pursuant to Adjournment: Officers all present: Due proclamation made, the following proceedings were had:—

In the Matter of the Petition of W. Potts for a Liquor License for Scappoose Precinct:

On this 11th day of March, 1911, the Petition of W. Potts praying for a License to sell Spirituous, Vinous and Malt Liquors, in less quantities than one gallon, in Scappoose Precinct, coming on regularly to be heard, and the Remonstrance of Albert Johnson and others having been heretofore filed in this matter; Petitioner being represented by Mr. M. E. Miller, Esq., and Remonstrators being represented by W. A. Harris Esq., their Attorneys; Attorney for Remonstrators now claims that no receipt of the Treasurer for the payment of the sum required by law for the license has been filed with the Clerk, and objects to the use at this time, of the Duplicated Treasurer's Receipt heretofore filed with the Petition of W. Potts, presented to the Court on the 7th day of January, 1911, said Petition having been denied for the reason that petitioner did not have the signatures of a majority of the legal voters of said Precinct on said Petition.

And the court being advised in the matter, admits said Duplicate Receipt, to which ruling by the Court, Attorney for Remonstrators asks for and is allowed an exception.

The Court now examines the files as submitted by Petitioner, and a Remonstrance to the granting of said Petition is submitted.

Petitioner by his Attorney moves the Court that the Remonstrance be stricken from the files, on the ground that there is no law providing for a remonstrance and that the Court is without jurisdiction in the matter of a remonstrance. And the Court after considering the matter and being advised, it is ordered that said motion be, and the same is hereby denied.

Petitioner by his attorney now moves Court that the Remonstrance be stricken from the files for the reason that no particular reason for a remonstrance is specified; and the Court after listening to argument by respective Counsel and being advised in the matter orders that said motion be and the same is hereby denied.

And it further appearing to the Court from an examination of the Petition and of the Remonstrance, and from the testimony of witnesses produced by Petitioner and Remonstrators that said Petition does not contain the signatures of an actual majority of all legal voters of Scappoose Precinct;

It is therefore ordered by the Court that the said Petition be and the same is hereby denied.

Matter of Petition of A. & C. R. R. Co. For Remission of Tax.

It appearing to the Court from the sworn petition of F. M. Smith, acting for the Astoria & Columbia River Railroad Company, that an error was made in computing the number of miles of main line of said Company in the City of Rainier, and also in the number of miles of rolling stock of said Company in the City of Houlton, It is ordered by the Court that the Sheriff remit the special City Tax as levied on said excessive mileage, amounting in the City of Rainier, to the sum of \$440.70, and in the City of Houlton, to the sum of \$7.43.

Matter of Petition of N. P. R. Y. Co. For Remission of Tax:

It appearing to the Court from the sworn petition of F. M. Smith, acting tax agent for the Northern Railway Co., that an error was made in computing the number of miles of main line of said Company within the City of Houlton It is ordered by the Court that the Sheriff remit the special City Tax as levied on said excessive mileage, for the City of Houlton, amounting to \$107.91.

Matter of Petition of John A. Watson for Rebate of Tax:

It appearing to the Court from the sworn Petition of John A. Watson, that said petitioner had been charged as the owner of 310 acres of land, while he in fact was the owner of only 275 acres of land; That the taxes as levied for the year 1910 had been paid by petitioner on the full number of acres as assessed, and that he is justly entitled to a rebate in the sum of \$5.08.

It is therefore ordered by the Court that said petition be and the same is hereby allowed, and the Clerk is instructed to issue a warrant on the General Fund, for the sum of \$5.08, in favor of said John A. Watson.

Whereupon, Court Adjourned until Wednesday, April 5, 1911.

## A SOJOURNER'S VIEW.

**What a Traveler in Our Midst Thinks of this Neighborhood.**  
Sunday was indeed a typical Oregon spring day and the genial warm sunshine brought out hundreds for a ride or a stroll to some favored nook. The sublime view from St. Helens' Council Crest across the Columbia, and to the fascinating mountain peaks beyond, was certainly matchless in beauty and once seen never to be forgotten! Mt. St. Helen could be seen robed in its pure white mantle with its lofty summit piercing the crystalline blue above, while Mt. Hood never looked grander as it took upon itself the golden radiance of the morning sun light—both of these majestic peaks being so plainly visible from St. Helens.  
St. Helens is no doubt one of the healthiest towns in good old Oregon and according to reports it has always been so. An old time resident informed the writer that when this section was first settled for a long time there were no deaths and the citizens were finally compelled to kill off two or three persons in order to start a graveyard.  
St. Helens is surely going some! On every side there is a wave of prosperity and activity. The streets are being graded and paved, numerous elegant modern homes and business houses in course of construction, and with its manufacturing industries at full blast, together with its fertile soil and shipping business, it is decidedly on the move. Now every loyal citizen ought to climb on to the band wagon and boost for a Greater St. Helens!  
The man who imagines because his wife wears a hobble skirt she will stick around home, the same as a hobbled horse, will be greatly mistaken. The noble skirt is to parade in.

## SCAPPOOSE NOTES

John A. Watson, of Rock Candy Mountain, has an option on 120 acres of land for \$12,000.  
Burt West purchased a fine new piano last week, and a number of their friends went down to the farm and celebrated in honor of the event.  
Chapmans Camp opened again March 15. Only about half the number of men are employed and only four donkey engines are running.  
Gottlieb Newman has sold his place in Scappoose and the surveyors are plating it out in lots.  
Asa Holiday is having the J. P. West farm, just west of Scappoose, platted in small tracts and Mr. Huntress is the real estate agent to handle the tracts for him.  
The United Artisans will give a dance Friday evening, March 17. Everybody cordially invited. Music by Dolls Orchestra of Kalama.

## NEWS PARAGRAPHS FROM OTHER CITIES IN OREGON

The secretary of the Interior announced that six townships under the Tieton irrigation project in Washington would be opened to homestead entry on and after April 6  
A hearing will be held by the railroad commission at Salem March 22 to determine the sufficiency of safeguards provided at the grade crossings near Beaverton and Greenburg.  
A letter received from State Dairy and Food Commissioner Bailey says that that official intends to organize an advisory board of dairymen to assist him in his work and in the conduct of the office.  
A statement issued by the department of Agriculture shows that on March 1 the quantity of wheat on farms in Oregon was approximately 2,100,000 bushels, 13 per cent of the 1910 crop. This is 20,000 bushels less than on March 1, 1910.  
In accordance with the recommendations made by Governor West in his inaugural message to the Legislature, State Land Agent T. A. Rhinehart will next week begin a personal investigation of the first mortgage loans held by the state.  
According to a statement prepared by W. C. Tillson of Salem, the markets all over the world appear to be almost entirely bare of prunes. He says that it is probable that this year the opening prices will be decidedly satisfactory to the grower.  
Requisition was issued by Governor West for Charles A. Barrett, wanted in Portland for receiving and converting stolen gold bullion. Barrett is in California. It is alleged he received \$7000 worth of gold bullion, the property of the Washington Trust Company.

## OBITUARY

Vernon, the son of Lufe and Hannah Brown, died at their home, one mile west of Scappoose, Saturday morning, March 11, aged nine years, ten months and twenty-one days. He was a sufferer with rheumatism since he was four years old. About a year ago he had pneumonia when heart trouble developed and later dropsy, which caused his death. He had a sweet loving disposition and was patient and thoughtful of others to the last.

## SCAPPOOSE ITEMS

The opening of the Farmers State Bank is the event of importance for this month and year. The name is a happy selection, being the only Farmers State Bank in Oregon. The capital is \$12,500, which is \$2,500 more than the law requires, and was fully paid on the day of opening.  
Mr. J. J. Havelik was the first to open a checking account and wrote the first check on the new bank.  
Some one started to compute the individual responsibility of the stockholders and the amount soon went so high that they stopped, remarking that this backing was so great that anyone must be satisfied.  
The people of Scappoose feel that the coming of the bank marks the opening of a period of active growth and improvement of this whole section.
