AN ORDINANCE.

Entitled an Ordinance to prohibit stock from running at large in the city of St. Helens; providing for the taking up of same and providing a penalty for violation thereof.

The City of St. Helens does ordain as follows:

Section 1. If any horse, horses, cattle sheep or hogs shall be found running at large within the limits of St. Helens, Columbia County, Oregon, it shall be the duty of the Marshal to take up and impound such animal and he shall forthwith give notice to the owner thereof of said taking up and if thereupon the owner or owners require a restoration of said animal or animals he shall pay to the Marshal the sum of one dollar for each day so impounded.

Section 2. Upon the payment of the sum provided in section one, the Marshal shall immediately restore such animal to its owner, but if such sum be not paid within three days after the notice, as provided in section one, then the Marshal shall proceed to sell said animal or animals in the manner hereinafter prescribed.

Section 3. If the owner of such animal or animals be not known, to the Marshal it shall be the duty of the Marshal to forthwith give notice by advertising in a newspaper, published within the City, for one issue, or by posting in three public places in the City a notice of taking up of such animal or animals describing it or them, with the natural marks and stating the time of such taking of such animal or animals.

Section 4. In case no owner or other person shall claim any such impounded animal or animals and pay the charges thereon within three days after the expiration of one week from the date of the posting of said notices, or within three days after he notifies, as provided in section one, then the Marshal shall proceed to publish a notice in a newspaper, published in this City, stating that he will, on a date certain, not less than five days from the date of publication of such notice, proceed to sell such animal or animals to the highest bidder for cash; the proceeds of such sale shall first be applied to the impounding fee as hereinbefore provided, and costs of advertising and the balance, if any, shall be paid into the City Treasury subject to the order of the owner or owners of such animal or animals.

PROCLAMATION.

Whereas; under the initiative ordinance of the City of St. Helens, there was submitted to the people of said city at the general election, held therein on the 3rd day of April, 1911, an ordinance entitled "An ordinance to prohibit horses, cattle, sheep and hogs from running at large in the City of St. Helens; providing for the taking up of same and prescribing a penalty for the violation thereof," which said ordinance was regularly placed upon the ballot under the initiative ordinance of said City, and was voted upon by the legal voters in said city on the said 3rd day of April, 1911, That on the 5th day of April, 1911, the Common Council of the City of St. Helens met in regular session and canvassed the returns of said election and determined as follows; that there were one hundred and fifty seven votes cast on said ordinance; that there were ninety nine votes cast in favor of the adoption of said ordinance and fifty-eight votes cast opposing the adoption thereof.

Therefore by virtue of the authority in me vested, and under the direction of the City Charter of the City of St. Helens, I hereby declare and proclaim said ordinance to be in full force and effect from and after this date.

Dated this 6th day of April, 1911.

Two years ago people bought land all through here for \$10 and \$15 per acre. Soon the cry came that the land was full of iron, so some thought that they were going to be rich and never tried to clear their place, but spent their time running after iron men, but others went on with the improvements and have places and houses a credit to the country. Some folks are always waiting for a fortune to fall to them instead of working and laying up one.

We are having a little snow for a change and most everybody has garden up.

Rob Jeffries is improving in health so fast that he does not think that he will have to go to the hospital. His folks, who have just arrived from Michigan, like it here fine.

Mr. John Kappler has sold his place to L. Tyler. So many people are selling that we who remain will soon have all new neighbors.

BASEBALL BITS.

The boys showed the same old class again.

The Brooklyn boys are ball players and play a good, clean game. Hope they come back.

Phil Nadeau, the big leaguer, will probably play at this place for the rest of this season. He is a fast shortstop, a good hitter, and would make a good captain for the boys, as he knows the game from A to Z.

We have the best infield in the country. Austin at first, Laws at second, Brakke at third and Nadeau at short make a combination that is hard to beat.

Austin's homer looked good. He was robbed of another smash that would have ordinarily went into the hit column.

Van H. Lafferty was there with the hard hitting. When it comes to planting them down in the center field fence corner Jack is right there.

Owing to the bad weather the crowd was very small, but there will be a different story to tell next Sunday. With a team playing the kind of ball that the locals will put up this year they should and will have the support of the whole town.

Kalama's base ball team went up to St. Helens last Sunday and did up the bunch of ball tossers, left the St. Helens team. When the boys left Kalama early in the morning we had hope that St. Helens would at least furnish amusement for our team, but it is no use. St. Helens can't play ball. If they would go up to Scappoose and Warren and practice up a little they might get in time so they could play a fair game, but even then they would not stand a ghost of a show with the "Invincibles" of Kalama. —Kalama News. Aint it awful? It looks as if we will have to play them some time when Nick Williams' braves are up north and out of reach. There is nothing in Kalama that is "invincible" except Tom Cooper's booze.
