

**Raisin Day, April 29, 1911**

The above date has been set apart by the people of California in which all are asked to join by eating raisins in the form of "Raisin Bread," or in whatever form is desired. The object of this special day is to create a widespread raisin sentiment that will result in a greater demand for that fruit, and to direct the attention to all good house-wives to the excellence of the raisin as an article of food. The good people of the Northwest are invited by their neighbors to participate in the pleasant custom and "break" raisin bread on April 29th.
