# SPORTS

A goodly number of the residents of St. Helens went to Kalama on the launch Triton last Sunday and the outcome of the ball game at the place was very much of a disappointment to them all. The game started in fine shape. Austin was the first man up for St. Helens and walked. Perry was out on a fly to right field, Laws was out. Hill to Johnson, Brakke was there with a two bagger that scored Austin and Brough followed with a two base smash that scored Pig Brakke. Kalama tied the score in the third. Dixon was out. Stevens to Austin. Darnell got a two bagger, and Morris followed with one of the same kind, scoring him. Taylor sacrificed, and Sorter got on and Morris scored on an error. Another run came in the sixth for St. Helens, when Brough was hit by the pitcher, and got around on a wild pitch and a hit by Serra. The Kalama bunch came back at them in their half, when four hits, one of them for two bases, and an error gave them three runs.

St. Helens tied the score in the eighth, Laws getting first on an error by Sorter. Brakke got on when tried to catch Laws at second, getting neither of them, Brough got a long single to right field that scored both Laws and Brakke, but was caught at second. In the last half of the eighth Kalama took the lead again, getting a run on three hits in succession. With a man on second and one on third and none out Stevens got to work and shut the Kalama bunch out without either of them getting home. With the score six to five in favor of Kalama the ninth inning started, and it was in this chapter that a fine ball

Manager Ballagh Sprung a Surprise

game was spoiled, and the people of this place think the local boys are in the right, and it is certain that the action of Kalama bunch were anything but sportsmanlike. The two first men up, Ballagh and Stevens singled, and it look as though we would certainly win out in the last inning. Austin laid down a bunt advancing the two men on bases and being thrown out at first. Ballagh was on third and Stevens on second, when the coacher ran part way down the line, and the batter ran behind the catcher. It was the worst kind of horse play, and the umpire, on the advice of Catcher Kirby called the man on third out. The rules call for this case a throw is drawn to the plate, interfering with a legitimate play. If this throw had been drawn before Austin was caught at the first base, the man on third would have been out, but as the throw did not in anyway affect the game, either in favor of Kalama or St. Helens, we are of the opinion that the umpire was mistaken in his ruling. The boys refused to play further, and the ump declared the game forfeited to Kalama by the score of 9 to 0, which is the score in all forfeited games.

The line up was as follows:

St. Helens	Kalama
Austin, 1b	Taylor, cf
Perry, rf	Sorter, 2b
Laws, ss	Hill, lf
Brakke, 3b	Kirby, c
Brough, 2b	Johnson, 1b
Serra, c	Summers, 2b
Chandler, lf	Dixon, ss
Ballagh, cf	Darnell, p
Stevens, p	Morris, rf

It looked good for St. Helens when the game broke up. Serra, the new receiver, was there at the catching part and got two hits. Joe Brough was the right man in the right place two different times, and got an unassisted double in the sixth, when it was badly needed.

Earl Perry was the leader at the stick. He only went up four times and panned-headed the scorer out of three hits. Ed Ballagh got five put outs in center field, and one of them was some catch. He took it right off his shoe strings.

Several rows seemed imminent at the time the game broke up, some of the boys on both sides taking it hard. They were fortunately escaped.

The trip down and back on the boat was well worth going for. The excursionists were entertained by a number of songs by a native of Sweden. At the game one of the features was the coaching by Happer and a native of Kalama who we do not know. Hep had it all over him, and finally demonstrated his superiority by a beautiful flying tackle that pried them both.

The undefeated Warren baseball team scored their fourth victory last Sunday when they defeated the Yankton team at Yankton by a score of 11 to 7.

Squeeze Ethridge, the local man, got the best of the redoubtable Strangler Smith in the match at the city hall last Saturday night. The first fall went to Ethridge on a foul, Smith persisting in using the strangle hold even after being repeatedly warned by the referee. The second fall was Smith's after about thirty minutes of hard work, while the deciding fall went to Squeeze in about ten minutes. The match was witnessed by a large crowd, and every good piece of work done by both men was enthusiastically cheered.

The Portland Giants, the champion colored baseball club of the Pacific Northwest will be at the grounds here next Sunday afternoon, and the game will be good. The Giants are fast and have the reputation of being quite an attraction besides, their coaching and rooting being well worth hearing.

### OUR PORTLAND LETTER

Portland will be pretty much given up to its Rose Festival for the next ten days. Business affairs will be relegated to the background quite generally and the queen flower will rule with undisturbed sway.

The year's spectacle promises to set a new mark, with better displays, more gorgeous pageants and better decorations of city streets and buildings than ever before. Other Oregon cities will participate to a larger extent than formerly and out-of-town people have announced their intention of coming in large numbers.

The city election will distract attention to some extent from the Festival on June 5, opening day, but with that out of the way, the remainder of the week will be given up to enjoyment. Portland rose gardens promise to produce a wealth of perfect blooms next week.

Members of the Esperanto Association of the Pacific Northwest will gather at the Portland Commercial Club for a grand rally July 19-21. A big attendance is expected from Oregon and Washington particularly, while other states will be well represented. The association is now one year old. At least 25 of the leading cities of this state have regular Esperanto classes. On June 4, local Esperantists will hold a picnic at Tualatin.

A systematic campaign for German immigrants has been outlined by the Commercial Club, acting with the German-speaking societies of Oregon. A conference on the subject was held recently and in future more attention will be paid to securing this immigration.

Dayton has been presented with historic Fort Sheridan by the Government and the old structure will be removed to the Dayton city park. The old block-house is an interesting relic of the days when the pioneers were subduing the wilderness.

Baker and Oregon City are two places that will have postal savings banks, such institutions already started in this state having proved highly successful. The Postmaster General has designated these cities as depositories and they will begin operations at once.

Oregon's importance as a fruit growing state can be better understood from the figures in the biennial report of the Oregon State Board of Horticulture, lately issued. President W. K. Newell places the total valuation of last year's fruit crop at \$6,662,500. Apples leads the list with a value of \$2,500,000 and dried prunes stand second in importance with a value of \$1,680,000.

An interurban railway from Baker through the Powder River Valley to Haines and North Powder is a project dear to the heart of the Baker Commercial Club and efforts will be directed on work to bring this about during the coming few months. The projected line would open up a remarkably fertile country, as well as give access to much timber wealth.

Dr. Lowe the well known optician of Portland, will be at Hotel St. Helens, Tuesday June 13th. Don't fail to have him test your eyes for glasses.
