MERCHANTS OF NORTHWEST OREGON HAVE CREDIT GUIDE
The merchants' Mercantile company of Portland is preparing to publish a credit guide for this district, including Columbia County.
By this system this will be put in direct conditions all over the United States and whenever any one moves here from any other part of the country the merchants here will be at once posted through this company as to how the party paid his bills where he formerly lived.

These credit guides are made up in districts covering every state in the Union. They are made from the combined experience of all the merchants in each of these districts and every merchant rates his own customers according to how they have paid him. Before a customer is rated he is given notice by letter that he will be rated and is given a chance to pay up his old account and thus secure a good rating.
Each merchant and professional man is furnished with a copy of the guide so that he may refer to it and look up the rating of any customer or prospective customer before giving any credit.
