Our Portland Letter.

Portland, Ore. Oct. 10 (Spe-
cial)—James J. Hill helped make
Oregon history when he
drove the golden spike marking
the completion of the Oregon
Trunk Railway to Bend. That
it will be the final terminus of
the line is not expected, but the
event was notable because it
celebrated the coming of a new
era in the interior, and the rail
road will be the greatest devel-
oper the country could have.
"Go to work and build up the
country, for the cities would
starve to death if it were not for
the country," said Mr. Hill at the
spike driving. "Nations that
have neglected the cultivation
of the soil have faded from the
face of the earth. There is
no reason why Central Oregon
should not produce enormous
wealth. We have a good deal of
faith in it. We believe if this
soil is properly cared for, if it is
properly under stood and fair
justice done to it, it will make
a happy home for thousands and
millions of people. I wish you
all Godspeed and every particle
of luck and prosperity that can
come to you."

Portland will raise money to
aid in the operation of two dem-
onstrations farms in Central Ore.
The railroads have pledged \$5,
000, Portland business men will
give \$2,000 and Crook County
will raise by taxation \$3,000.
One farm will be established in
dry farming country and the
other in an irrigated district.
A local committee has been
named to secure the funds and a
dinner will be held at the Com-
mercial Club October 18, when
plans will be made. On the
train returning from the golden
spike driving at Bend during
the past week, a considerable
sum was subscribed by Portland
excursionists.

Consolidation with neighbor-
ing cities is planned by Marsh-
field under the name "Coos Bay."
A resolution to that effect has
been passed by the City Council
and a special election to
decide the matter will probably
be held soon. This will, it is
thought, be of great permanent
benefit in building up that sec-
tion of Oregon.

Harrisburg women have turned
their attention to practical
things and will hold a potato
carnival October 18 and 19.
This, it is promised, will be "An
exhibition of painstaking potato
culture, portraying all the pro-
gressive methods of planting,
peeling and preparing the ever
palatable potato." Women are
officials of the show.

Agricultural possibilities of
Oregon are shown by an inter-
esting comparison just made by
President Howard Elliott of the
Northern Pacific Railway of the
area of this state with that of
Denmark, Holland, Belgium,
Alsace-Lorraine, Luxemburg,
Switzerland and the state of
Main. Combined, they have
95,022 square miles, while Ore-
gon has 96,030. On the other
hand, the combined population
of these countries is 21,594,689,
while Oregon has but 672,765.
The conclusion is that state has
as great agricultural resources
as the above group and may
very likely equal it in popula-
tion when its lands are properly
tilled.

A herd of elk from Yellowstone
Park may be brought to Oregon
and liberated in the forest re-
serves of Wallowa County. Ar-
rangements are now being made
by State Game Warden Finely
with the Government authorities.
Steps will be taken to protect
the animals in their new home.
