### GRAND JURY REPORT

The Grand Jury for the October term of court, after a session extending over a period of about two weeks, brought in the following report Wednesday evening:

October 18, 1911. WE, THE GRAND JURY of the County of Columbia, in regular session in the October term of Court, 1911, make the following report:

We have investigated thirteen criminal cases and have returned five true bills and one not a true bill.

We have examined the various kept. We make the following recommendations: that the county purchase a new safe for the sheriff's office and a new safe for the treasurer's office as the old ones are too small.

We also recommend that the vault between the assessor's office and the sheriff's office be divided into two rooms, and a door cut in from the sheriff's office and one from the assessor's office.

Having finished the work before us we ask to be dismissed.

> EDMUND OLEEN, Foreman M. C. HOVEN NELS DOWNING JOSEPH W. BARR JOHN W. BOYD GEORGE C. BEAVER G. W. MAKINSTER
