HAPPENINGS OF INTEREST IN AND AROUND ST. HELENS

LOCAL ITEMS: PERSONAL MENTION: SOCIETY NEWS

James Kennedy of Goble was looking after business matters in St Helens last Saturday.

Jos. Erickson of Warren was in St Helens Monday.

All those who have not received one of Wellington's Calenders please call and get one.

Mr. H. E. Veazie and John Popejoy have purchased the interest of S. C. Morton in the St Helens Transfer Co. and have taken active charge of the business, in connection with Mr. W. E. Stout, who retains his interests. Mr. Stout and Mr. Popejoy have charge of the Stable and teaming while Mr. Veazie has taken the Auto Bus. We wish them all success in their new business venture.

Mr. and Mrs. Ed Leonard of Scappoose were visiting in St. Helens during the week.

H. C. Wood, a prominent farmer of the Deer Island neighborhood, was transacting business in St. Helens Tuesday.

A bargain in Pigs; 20 head of 3 months old pigs for \$3.50 each. At my place 2 and one half miles west of Deer Island.

M Gentry.

Wellington's, the one Price Store. All goods marked in plain figures at Wellington's.

Mr and Mrs W. J. Bush were in town last Saturday from Deer Island. This was the first visit of Mr. Bush to St. Helens for several years and he said he hardly knew the town so many changes had taken place.

A crew of men in charge of Jack Despain are working on the strand and the old tree has disappeared. The street is being levelled and several inches of crushed rock will be placed on the street and rolled down.

H. E. McCormick and M. E. Miller have been appointed as representatives of the St. Helens Commercial Club to attend the Governor's banquet at Portland, Saturday night. At this meeting Governor West will tell all about his recent tour of the East and the advantages which the state will probably derive from the trip.

Nowhere else can you secure such high quality goods at such rare prices as at Wellington's.

Fred Abbott and J. L. Chittum have purchased and have on hand the latest machine for making mortar blocks and cement brick. They have made a number of the blocks and brick at their temporary quarters in the Watters Barn on Willamette Street and any person intending to build any kind of a building should not fail to see them. The blocks are 8 x 8 x 16 inches and will be sold at the exceedingly low price of 22 cents each. At this price there is no reason for any one not having a first class basement. Their cement brick will be sold at \$30 per thousand. See their ad in this issue.

Don't fail to note Wellington's prices on page 4, this issue.

Mrs. A. L. Stone entertained a number of friends at her home in Columbia Park last Friday evening, with 500.

The City Council has levied an 8 mill city tax for the next year.

Somebody got the wrong hat when church was out last Sunday night and if you will return it to the Bank you will receive the thanks of the owner, and get your hat back.

16 oz to the pound and 16 pounds of Fruit Sugar for every dollar at Wellington's.

Powell & Harris, the Houlton butchers, shipped a car load of cattle from Scappoose to Portland, during the week.
